Payal became an advocate against child labour as well as child marriage and has successfully made her village a child-friendly village (Bal Mitra Gram).

Goalkeepers Global Goals Awards honors young activists, campaigners, and innovators across the globe for sparking change, as per the UN's Sustainable Development Goals.

Bills and Acts

1. Parliament passed Airports Economic Regulatory Authority of India, (Amendment) Bill - 2019

Parliament has passed the Airports Economic Regulatory Authority of India, AERA (Amendment) Bill- 2019. The bill increases the threshold of annual passenger traffic for major airports from 15 lakhs to over 35 lakh passengers.

The Bill seeks to amend the Airports Economic Regulatory Authority of India Act, 2008. The threshold has been increased as the number of air traffic passengers have increased from 117 million in 2008 to 345 million now.

2. Parliament passed Code on Wages Bill, 2019

Parliament has passed the Code on Wages Bill, 2019, after it was passed in the Rajya Sabha. The Code universalises the provisions of minimum wages and timely payment of wages to all employees irrespective of the sector and wage ceiling.

Under the Code, the tripartite committee comprising representatives of trade unions, employers and state governments would fix a floor wage for workers throughout the country and no state government can fix the minimum wage below it.

3. President approved Jammu & Kashmir Reorganisation Bill 2019

President Ram Nath Kovind has signed the Jammu & Kashmir Reorganisation Bill 2019. Parliament adopted resolutions to scrap Article 370 and Article 35A in Jammu and Kashmir. The Bill seeks to scrap Article 370 and to make Jammu and Kashmir a Union Territory with the legislature and Ladakh Union Territory without legislature.

The Jammu and Kashmir Reservation (Second Amendment) Bill 2019 having provisions of 10% reservation for Economically Weaker Sections of upper caste in the state was also passed by the parliament.

4. Lok Sabha passed bill to ban commercial surrogacy

Lok Sabha has passed the Surrogacy (Regulation) Bill, 2019, that prohibits commercial surrogacy, but allows only close relatives of infertile couples to volunteer for "ethical altruistic" reasons. The purpose of the Bill is to ensure effective regulation of surrogacy.

It defines surrogacy as a practice where a woman gives birth to a child for an intending couple with the intention to hand over the child after the birth to the intending couple.

The offences under the Bill include undertaking or advertising commercial surrogacy, exploiting the surrogate mother and abandoning, exploiting or disowning a surrogate child.

5. President issued Constitution (Application to Jammu and Kashmir) Order 2019 superseding 1954 Order

The President has issued Constitution (Application to Jammu and Kashmir) Order, 2019. The Order comes into force at once and supersedes Constitution (Application to Jammu and Kashmir) Order 1954 as amended from time to time.

The Order adds several clauses to Article 367. These include, the Constituent Assembly of the State shall become Legislative Assembly of the state as mentioned in Clause 2 of the Article.

The Governor of the state shall act on the advice of his Council of Ministers. The order reads that the President, acting on the advice of the Legislative Assembly of the State shall henceforth be construed as references to Governor of Jammu and Kashmir.

6. Transgender Persons (Protection of Rights) Bill passed in Lok Sabha

Lok Sabha passed the Transgender Persons (Protection of Rights) Bill, 2019. The Bill provides a mechanism for social, economic and educational empowerment of transgenders. A transgender person will have to make an application to the District Magistrate, who will issue a certificate of identity to the transgender person.

The Bill states that a transgender person shall have the right to self-perceived gender identity. It also states that every establishment will have to appoint a complaints officer to deal with complaints relating to the violation of any provisions.

7. President accords approval to increase number of Supreme Court judges

President Ram Nath Kovind passed a bill which seeks to increase the number of Supreme Court judges from the present 30 to 33 besides the Chief Justice of India. The Parliament had earlier passed the Supreme Court (Number of Judges) Amendment Bill.

There are almost 60,000 cases pending in the apex court. Chief Justice of India Ranjan Gogoi had also wrote to Prime Minister Narendra Modi to increase the number of judges in the top court.

8. Consumer Protection Rule to be implemented by Dec 30

7. India began exporting bulletproof jackets to over 100 countries

India has begun exporting bulletproof jackets as per its own standards to over 100 countries including European nations. India is the fourth country after the US, UK and Germany to have its own national standard on the bulletproof jacket which provides 360-degree protection.

Bureau of Indian Standards has set standards better than international standards for bulletproof jackets, made under the Make in India campaign. India's lightest bullet-proof jacket weighing 9.2 kgs 'Bhabha Kavach', was launched at International Police Expo 2019.

8. INS Khanderi to be commissioned into the Indian Navy

India's second Scorpene-class attack submarine INS Khanderi will be commissioned into the Navy by Defence Minister Rajnath Singh in Mumbai on September 28. The first Scorpene-class submarine INS Kalvari was commissioned into the Indian Navy in December 2017. The third Scorpene-class submarine INS Karanj will join the Indian Naal fleet in Jan 2020.

Mumbai's Mazagon Dock Shipbuilders Ltd has built its diesel-electric submarine. Under the Project 75 programme, India is committed to building six Scorpene-class submarines at the cost of \$ 3 billion contract signed between French company Naval Group, DCNS, and MDL.

9. DRDO handed over second 'Netra' (AEWC) aircraft to IAF

Defence Research Development Organization (DRDO) handed over the second airborne warning plane, Netra to Indian Air Force. The Netra, an Airborne Early Warning and Control aircraft had played a stellar role during the Balakot air strikes. It provided surveillance and radar coverage to the five Mirage jets that bombed terror launch pads in Balakot in Khyber-Pakhtunkhwa province in Pakistan.

Netra is useful for surveillance, tracking, identification and classification of airborne and sea surface targets and is useful in detecting incoming ballistic missile threats.

10. INS Tarkash at Walvis Bay, Namibia

In continuation of the Indian Navy's overseas deployment to Africa, Europe and Russia, Indian Naval Ship Tarkash made a port call at Walvis Bay, Namibia for a three days' visit. The port call by INS Tarkash at Walvis Bay is a demonstration of India's warm ties with Namibia and its commitment to enhance operational reach, maritime security and its solidarity with friendly nations.

INS Tarkash is part of the Indian Navy's Western Fleet and is under the operational Command of Flag Officer Commanding – in – Chief, Western Naval Command, based at Mumbai.

11. War-gaming software handed over to Indian Navy

Institute for Systems Studies and Analysis (ISSA) Delhi, a premier DRDO laboratory, has designed and developed a new generation War-gaming Software in collaboration with Maritime Warfare Centre, Visakhapatnam to meet the contemporary operational and tactical level war-gaming requirement for the Indian Navy. The War-gaming Software was handed over by Secretary, Department of Defence R&D and Chairman, DRDO Dr G Satheesh Reddy to Vice Chief of the Naval Staff Vice Admiral G Ashok Kumar at ISSA.

The key focus enables Maritime Warfare Centres (MWCs) to train using the latest technological and computing tools.

12. DAC approved Capital Procurement of Rs 2,000 crores

Defence Acquisition Council (DAC) has accorded approval for Capital Procurement for the Services amounting to approximately Rs 2,000 crores. DAC accorded approval for indigenous development and production of the main gun 125mm Armour Piercing Fin Stabilised Discarding-Sabot (APFSDS) ammunition for T-72/T-90 tanks by the Indian Industry, which would substantially enhance the enemy armour penetration capability.

DAC also approves procurement of DRDO developed and Industry manufactured Mechanical Mine Layer (Self Propelled) to improve automated minelaying capability with the Indian Army.

13. First-ever ‘arrested landing’ of Naval Tejas successfully executed

DRDO and the Aeronautical Development Agency successfully executed the first-ever arrested landing of Light Combat Aircraft(LCA) Tejas (Navy) at the shore-based test facility in Goa. This will allow the naval variant of the Tejas to eventually operate from an aircraft carrier. With this, India became among a select group of nations having the capability to design a jet which can land on an aircraft carrier.

This will pave the way for this indigenous platform to undertake Aircraft Carrier landing demonstration onboard the Indian aircraft carrier, Vikramaditya.

14. ISRO signed MoUs with DRDO

Indian Space Research Organisation (ISRO) has signed Memorandum of Understanding (MoUs) with Defence Research and Development Organisation (DRDO) for development of human centric systems for the Human Space Mission to demonstrate its human space flight capabilities.

Some of the critical technologies to be provided by DRDO to ISRO include space food, space crew health monitoring and emergency survival kit, radiation measurement and protection, parachutes for safe recovery of crew module and others. ISRO aims to demonstrate human spaceflight capability before the 75th anniversary of India's independence in 2022.

15. Air-to-Air missile Astra successfully flight tested from Su-30 MKI

The indigenous Beyond Visual Range Air-to-Air missile, ASTRA, has been successfully flight tested off the coast of Odisha. The missile was launched from Su-30 MKI as a part of User trials.

The Astra missile has a range of over 70 kilometers and can fly towards its target at a speed of over 5,555 kilometres per hour (4.5 Mach). The missile has a 15 kilogramme high-explosive pre-fragmented warhead. IAF is also in the process to integrate the Astra with its Dassault Mirage 2000, Mikoyan-Gurevic MiG-29 fighters as well as the indigenous Light Combat Aircraft Tejas.

16. SITMEX- Trilateral Maritime exercise of Singapore, India and Thailand held

A 5-day maiden trilateral exercise of Singapore, India and Thailand named SITMEX was held from September 16, 2019 at Port Blair, the capital of Andaman and Nicobar Islands. The exercise aimed to strengthen the maritime relationships of the three countries and to enhance security.

The exercise had two phases:

- Shore phase at Port Blair which involved activities like professional exchanges and sports fixtures.

17. Chief of Army Staff General Bipin Rawat takes over as Chairman, Chiefs of Staff Committee

Chief of Army Staff General Bipin Rawat received the Chairman, Chiefs of Staff Committee (COSC) baton from outgoing Chief of Air Staff, Air Chief Marshal Birender Singh Dhanoa. General Bipin Rawat has been a member of COSC since January 2017. During his tenure in COSC, the Committee has deliberated on a number of diverse issues ranging from operations, training and administration.

As the next Chairman COSC, General Rawat is focused to operationalise the appointment of Chief of Defence Staff (CDS), enhance Tri-Service integration and synchronisation of modern war fighting capabilities.

18. DRDO and Central University of Jammu sign MoU

Defence Research & Development Organisation (DRDO), Ministry of Defence and Central University of Jammu (CUJ) have entered into a Memorandum of Understanding (MoU) for the establishment of Kalam Centre for Science and Technology (KCST) at the university.

The main objective of the MoU is to undertake and facilitate multidisciplinary directed basic and applied research and technology development in the identified research verticals namely; Computational System Security and Sensors. The centre will be equipped with state-of-the-art facilities and equipment leading to increase in research scholars in these areas.

19. Sea Phase of maiden IN-RSN-RTN Trilateral Exercise began

Sea Phase of maiden SITMEX-19 (Singapore India Thailand Maritime Exercise), between Indian Navy, Republic of Singapore Navy (RSN) and Royal Thai Navy (RTN) commenced in the Andaman Sea.

IN Ships Ranvir, a Guided Missile Destroyer, Kora, a Missile Corvette, Sumedha, an Offshore Patrol Vessel along with Long Range Maritime Reconnaissance aircraft P8I are jointly exercising with RSS Tenacious, a Formidable-class Guided Missile Stealth Frigate and HTMS Kraburi, a Guided Missile Frigate to enhance maritime interoperability between the participating navies. Sea Riders have also been exchanged between participating ships to provide experience sharing of best practices.

20. Indian army conducted exercise 'Chang Thang' in Eastern Ladakh

The Indian Army conducted a massive rare exercise 'Chang Thang' involving all its arms and services including tanks, artillery and helicopters, in Eastern Ladakh, for testing and improving its war-fighting capabilities. It was conducted at an altitude of over 12,000-feet near the Line of Actual Control.

First of its kind exercise involved the use of infantry, mechanised forces, T-72 tanks, with force multipliers such as artillery guns and Unmanned Aerial Vehicles. The army will conduct another major exercise, Him Vijay, in Arunachal Pradesh in Oct 2019.

21. Defence Minister Rajnath Singh commissioned Indian Coast Guard Ship ICGS Varaha

Defence Minister Rajnath Singh commissioned the Indian Coast Guard Ship ICGS Varaha at a special function held at Chennai Port. The ship is the fourth in the series of seven offshore patrol vessels of the Coast Guard. It can attain a maximum speed of 26 knots and has endurance of 5000 nautical miles.

The 98-metre offshore patrol vessel ICGS Varaha has been designed and constructed indigenously. It is equipped with 30-millimetre gun and has an integrated bridge system, platform management systems, automated power management system and high power external fire fighting system.

22. Exercise MALABAR 2019

The 23rd edition of the trilateral naval exercise involving the United States, Japan and India started on 26th September off the coast of Japan. The Indian Navy was represented by stealth frigate INS Sahyadri, AsW corvette INS Kiltan and a Boeing P-8I Neptune aircraft.

The aim of the Malabar exercise is to achieve deeper military ties and greater interoperability among the three navies in the strategically-important Indo-Pacific region.

23. India-US Tri-Services "Exercise Tiger Triumph" to be held in November

India and the United States will hold their first tri-services exercise called "Tiger Triumph" at Visakhapatnam and Kakinada in November 2019.

Final Planning Conference (FPC) for India-US Tri-Services Humanitarian Aid and Disaster Relief (HADR) concluded at Headquarters Eastern Naval Command on September 20. This is for the first time, the US and India will be holding the tri-service military exercise. India earlier conducted such tri-service exercise with Russia.

India earlier conducted such tri-service exercise with Russia.

Economic

1. Record 49.29 lakh e-returns filed in a single day on 31st August 2019

The Income Tax department has made history with a quantum jump in the e-filing of Income-Tax Returns (ITRs) with an all time high record of 49 lakhs 29 thousand and 121 ITRs filed in a single day on 31st August 2019.

On 31 August, 2019, the peak filing rate per second was at 196 ITRs and peak filing rate per minute was at 7,447 ITRs, while peak filing rate per hour was at 387,571 ITRs.

2. GST collection up 4.51% in August at Rs 98,202 crore

The gross goods and services tax (GST) collection in August, 2019 stood at Rs 98,202 crore, up 4.51% compared to Rs 93,960 crore in August 2018. Of the total collection, CGST is Rs 17,733crore, SGST is Rs 24,239crore, IGST is Rs 48,958crore (including Rs 24,818 crore collected on imports) and Cess is Rs 7,273 crore (including Rs 841crore collected on imports). The total number of GSTR 3B Returns filed for the month of July up to 31st August, 2019 is Rs 75.80 lakh.

The total revenue earned by Central Government and the State Governments after regular settlement in the month of August, 2019 is Rs 40,898 crore for CGST and Rs 40,862 crore for the SGST.

3. Mukesh Ambani rolled out JioFiber

Reliance Jio Infocomm has commercially launched its wired broadband service JioFiber. It offers high-speed internet, landline phone and HD television. Broadband services offer a minimum internet speed of 100 Mbps with plans starting at Rs.699 per month for 100 GB, while higher plans come with freebies like high definition television (TV) sets and set-top boxes.

Jio's offer is a game-changer that poses considerable threat to DTH service providers such as Airtel Digital TV, Tata Sky and Dish TV.

4. CRISIL revised India's GDP growth to 6.3% in fiscal 2020

Crisil Research revised downwards its India Gross Domestic Product (GDP) growth forecast for fiscal 2020 to 6.3% from earlier estimation of 6.5% due to less domestic private consumption demand, slump in manufacturing and halving of merchandise exports growth. Fiscal 2020's first quarter gross domestic product (GDP) growth was estimated at 5%, the slowest in 25 quarters.

The sharpest dip was seen in exports, where growth nearly halved to 5.7% from 10.6% in the fourth quarter of fiscal 2019. The sharpest slowdown was in the real estate, financial and professional services segment, which slipped to 5.9% from 9.5%.

5. Wipro bagged \$300-million deal from ICICI Bank

IT Major Wipro signed strategic seven-year deal valued at \$300 million from ICICI Bank to provide a suite of digital services. With the help of this deal, Wipro HOLMES, the company's Artificial Intelligence platform will provide differentiated technology and digital capabilities to ICICI bank.

Wipro entered into a business transfer agreement for an all cash consideration of Rs 321 crore, with Vara Infotech, who was presently providing the IT services to bank. ICICI Bank will get these services from September 2019.

6. India among top 10 nations in gold reserves

According to the World Gold Council, India has pipped Netherlands to move into the list of top ten countries in terms of total gold reserves. India has a total of 618.2 tonnes of gold reserves while Netherlands has 612.5 tonnes.

US tops the list with 8,133.5 tonnes followed by Germany with 3,366.8 tonnes. IMF ranks third in the list with a holding of 2,451.8 tonnes. Italy (2,451.8 tonnes), France (2,436.1 tonnes), Russia (2,219.2 tonnes), China (1,936.5 tonnes), Switzerland (1,040 tonnes) and Japan (765.2 tonnes) complete the top ten list.

7. IFC signed MoU with FIDC for training NBFCs

International Finance Corporation, a part of the World Bank Group signed a MoU with the Finance Industry Development Council (FIDC), a representative body of asset and loan financing NBFCs, to collaborate on training of NBFCs on topic of Commercial Credit Reporting. The training is aimed at building capacity of NBFCs to enhanced reporting and enquiring on Commercial Credit Information Data from the Credit Bureaus.

MoU will facilitate more informed credit appraisals thereby improving the asset quality and improve large number of small and medium sized NBFCs.

8. Government announced fresh incentives to boost exports and housing sector

Finance Minister Nirmala Sitharaman has announced a fresh set of measures worth 70,000 crore rupees to boost exports and housing sector. The government will provide a 10,000 crore rupees special window with an aim to help complete ongoing affordable and middle-income housing projects.

The other key incentives include extending the scheme of reimbursement of taxes and duties for export promotion, fully automated electronic refund for Input Tax Credits (ITC) in GST, revised priority sector lending norms for exports and expanding the scope of Export Credit Insurance Scheme (ECIS).

9. Government announced scheme for Remission of Duties or Taxes on Export Product

In a bid to boost the economy, the government has formed an inter-ministerial working group to monitor export finance. Accordingly, the scheme for Remission of Duties or Taxes on Export Product (RoDTEP) was announced which will replace Merchandise Exports from India Scheme (MEIS) for textiles. In effect, RoDTEP will more than adequately incentivise exporters than existing schemes put together.

Textile and all other sectors which currently enjoy incentives up to 2 per cent over MEIS will transit into RoDTEP from January 1, 2020.

10. ECGC Introduced Nirvik to Enhance Loan Availability for Exporters

Ministry of Commerce & Industry through Export Credit Guarantee Corporation (ECGC) has introduced a new Export Credit Insurance Scheme (ECIS) called NIRVIK to enhance loan availability and ease the lending process. The ECGC cover provides additional comfort to banks as the credit rating of the borrower is enhanced to AA rated account.

Enhanced cover will ensure that Foreign and Rupee export credit interest rates will be below 4% and 8% respectively for exporters. Under ECIS, insurance cover percentage has also been enhanced to 90% from the present average of 60% for both Principal and Interest.

11. Commerce and Industry Minister launched Steel Import Monitoring System

Union Minister of Commerce & Industry and Railways, Piyush Goyal launched Steel Import Monitoring System (SIMS) in New Delhi. The system has been developed in consultation with Ministry of Steel on the pattern of US Steel Import Monitoring and Analysis (SIMA) system.

The SIMS will provide advance information about steel imports to Government and stakeholders including, steel industry (producers), steel consumers(importers) to have effective policy interventions. In this system, the importers of specified steel products will register in advance on the web portal of SIMS providing necessary information.

12. Commerce and Industry Minister launched Common Digital Platform for Issuance of Electronic Certificates

Union Minister of Commerce & Industry and Railways, Piyush Goyal and Minister of State for Commerce & Industry, Hardeep Singh Puri, launched Common Digital Platform for Issuance of electronic Certificates of Origin (CoO) in New Delhi. This platform will be a single access point for all exporters, for all FTAs/PTAs and for all agencies concerned. Certificate of Origin will be issued electronically.

Benefits include

- Real-time tracking of FTA utilization at product level, country level etc.
- Possible to electronically exchange CoO with the partner countries.
- Reduces transaction cost and time for the exporters.

13. Wholesale price-based inflation unchanged at 1.08% in August

Wholesale price-based inflation was unchanged at 1.08% in August. The increase in prices of certain food items was partially neutralised by static prices of manufactured goods during August 2019. The Wholesale Price Index based inflation was 1.08% in July 2019 and 4.62% in August 2018.

Inflation in food articles rose to 7.67% during the month as against 6.15% in July mainly on account of rise in prices of vegetables and protein-rich items. The retail (CPI) inflation in August rose marginally to 3.21% as against 3.15% in the previous month mainly due to costlier food items.

14. Government scrapped 5 % import duty on open cell TV panel

In a bid to boost domestic manufacturing, the government has removed 5% custom duty imposed on import of open cell (15.6 inch and above) for use in the manufacture of Liquid Crystal Display (LCD) and Light Emitting Diode (LED) TV panel. The move would also help to reduce the price of TV panel by around 3%.

The government has also waived custom duty on import of Chip on Film, Printed Circuit Board Assembly and Cell (glass board or substrate) which are used to manufacture

open cell TV panels.

15. Government allows SAIL to sell 25% of iron ore output

Ministry of Mines has allowed Steel Authority of India Limited, SAIL to offload in a year up to a quantity equivalent to maximum 25% of total iron ore production in the previous year. It will be subject to clearance from the respective State Governments, where the mines are located, after following due procedure. It is valid for a period of 2 years.

Around 7 Million tonnes of iron ore, produced at its different mines in the States of Jharkhand, Odisha and Chattisgarh, can be offloaded by SAIL to the domestic market.

16. BEML signed MoU with Wipro Infrastructure

BEML Ltd and Wipro Infrastructure Engineering (WIN) signed a MoU to work together in Aerospace, Industrial Automation, 3D Printing, Artificial Intelligence and Hydraulic System Engineering.

The MoU entails working together on projects, products, systems, services and projects in Defence, DRDO labs, DPSUs and other relevant government entities in India as well as export customers. Key focus areas include aerospace components and parts through SEZ, metal additive manufacturing and design optimisation for new critical aggregates, legacy components & spares, and process automation.

17. Government cuts corporate tax rate for domestic investors

Government has cut the corporate tax from nearly 35 to about 25% for domestic investors. Also, such companies shall not be required to pay Minimum Alternate Tax.

Under the new provision a new domestic company incorporated on or after 1st October 2019 making fresh investment in manufacturing and commences their production on or before 31st March, 2023, will have to pay income tax at the rate of only 15%. Finance Minister has also announced the government decision to expand the scope of 2% CSR spending.

18. Google announced new AI research lab in India's Bengaluru

Google announced Google Research India, an artificial intelligence (AI)-based research lab to be set up in India's Bengaluru. The Indian AI lab will be led by Dr. Manish Gupta, a SEM (Society for Experimental Mechanics) scientist in the country.

Google already has various AI research labs across the world, under its Google AI arm. The Bengaluru lab will be the first in India. AI-based lab will create products not just for India but for the rest of the world.

19. Telecom body approved Rs 8500 crore for mobile towers & optical fibres

Digital Communication Commission, the highest decision making body in the Department of Telecom has approved multiple projects worth over Rs 8,500 crore for setting up 1917 mobile towers and laying of optical fibre in the North East uncovered villages.

The projects include laying of BharatNet fibre in Tamil Nadu and Telangana, at an estimated cost of Rs 1,815 crore and Rs 2,065 crore. This includes 2,215 villages in Arunachal Pradesh and 763 villages in two districts of Assam.

20. Ola drivers to get healthcare benefits under Ayushman Bharat

Ola, India's largest mobility platform and Ayushman Bharat, Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) announced a partnership to facilitate comprehensive health insurance for Ola's 2 million driver-partners.

Through this collaboration, hundreds of thousands of eligible driver-partners will be able to access in-patient care for serious illnesses at a country-wide network of 18,073 government and private hospitals empanelled under PM-JAY. Driver-partners can get their AB-PMJAY e-cards issued at the nearest Ola office.

21. Tata Communications partnered with Cisco

The leading global digital infrastructure provider Tata Communications and Cisco have extended their partnership to enable enterprises to transform their legacy network to a customised and secure multi-cloud native hybrid network.

The combination of Tata Communications' IZO™ cloud enablement platform and Cisco SD-WAN is a fully-managed, global solution that gives businesses greater control over their digital infrastructure, the ability to securely connect any user to any application location and provide the assurance of application performance needed to support successful digital transformation.

22. Wipro Consumer Care and Lighting sets up startup venture fund

Wipro Consumer Care and Lighting has launched "Wipro Consumer Care-Ventures", a startup venture fund to invest in startups in the consumer brands space. It will involve investment in companies of India and Southeast Asia that have "strong entrepreneurs" and startups with a "sound business model.

Wipro Consumer Care & Lighting has presence in 19 countries and is among the fastest growing fast moving consumer goods (FMCG) businesses in India.

23. CBDT sets up NeAC

Government announced setting up of a national e-assessment centre (NeAC) in New Delhi to focus on e-assessment. The NeAC will be an independent office looking after the exclusive work of e-assessment headed by a Principal Chief Commissioner of Income-tax (PCCIT) as its chief.

Central Board of Direct Taxes
(CBDT)

1984-batch Indian Revenue Service (IRS) officer K M Prasad has been appointed as the chief or PCCIT of the new Centre. The initiative is a part of government efforts to reduce human discretion in assessments and scrutiny.

24. ADB slashed India growth forecast to 6.5% for 2019-20

The Asian Development Bank slashed its growth forecast for India for fiscal 2019-20 to 6.5% from 7% projected in July 2019 owing to slowdown in consumption and investment activities, sluggish manufacturing demand and liquidity crunch. However, proactive policy interventions, Corporate tax cuts and recovery in domestic demand and investments will likely see the economy pick up to 7.2% in 2020-21.

ADB announced India to remain fastest-growing economies due to government's implementation in policy reforms.

Environment

1. Union Minister Prakash Javadekar inaugurated 14th Conference of Parties (COP14) to UNCCD

Union Minister Prakash Javadekar inaugurated the 12-day 14th Conference of Parties (COP14) to UN Convention to Combat Desertification (UNCCD) at India Expo Centre & Mart, Greater Noida. India took over the COP Presidency from China for the next two years till 2021.

The objective of the COP 14 is to discuss on various issues of land such as sustainable land management, reversing land degradation, mitigating drought, halting desertification, addressing sand and dust storms, linkages with gender, tenure, etc. and guide the Convention as global and national circumstances needs change.

2. Russia formally accepted 2015 Paris climate accord

Russia's Prime Minister Dmitry Medvedev gave formal support to the Paris climate agreement. The Paris Agreement gives countries a choice in how to join the accords by ratification, acceptance, approval or accession to the agreement, depending on their national legislation.

Russia is the world's fourth largest emitter of greenhouse gases and the biggest emitter not to have ratified the landmark global climate deal.

The Paris Agreement is an agreement within the United Nations Framework Convention on Climate Change (UNFCCC), dealing with greenhouse-gas-emissions mitigation, adaptation, and finance, signed in 2016.

3. Rohit Sharma launched campaign to conserve rhinos

Ace Indian batsman, Rohit Sharma, has launched Rohit4Rhinos campaign, in partnership with WWF India and Animal Planet, to help build awareness for the need to conserve the Greater One-Horned Rhinoceros or the Indian Rhino. It was launched on September 22 to commemorate World Rhino Day.

Rohit Sharma joined WWF India as its Brand Ambassador for Rhino Conservation in 2018.

Of the estimated 3500 Indian rhinos left in India and Nepal, 82% are found in India. The Indian rhinoceros faces several threats, including poaching, habitat loss and mass mortality from in-breeding and disease.

4. NGT directs government to prepare plan for protection of the Great Indian Bustard

The National Green Tribunal has directed the Union Government to prepare a time-bound action plan within two months for protection of the Great Indian Bustard.

A bench headed by NGT Chairperson Justice Adarsh Kumar Goel constituted a joint committee to prepare the action plan for implementation of suggestions submitted by the Wildlife Institute of India (WII) over the issue. According to the plea filed, 75% of the birds have died due to collision with power lines in the past 30 years.

5. Cryodrakon boreas reported as the largest flying animal of all time

The study conducted by scientists of Queen Mary University in London reported Cryodrakon boreas, plane-sized reptile as the largest flying animal of all time. With a wingspan of 10 meters and weighing 250 kgs, Cryodrakon boreas is a new species of pterosaur.

Cryodrakon boreas remains were first discovered more than 30 years ago in Alberta, Canada and it flew over North America 77 million years ago. C. boreas, also known as "frozen dragon of the north wind" was carnivorous and probably fed on lizards and baby dinosaurs.

6. Exercise of rehabilitating deer population begin in Kodiakkrai Wild Life sanctuary

A unique exercise of rehabilitating deer population has been started in the Kodiakkrai Wild Life sanctuary in Tamilnadu. This follows upgradation works being undertaken at the cost of eight crores rupees in the Sivagangai Gardens of Thanjavoor under the smart city scheme of the Central government.

The graceful deers, which have been brought up in the protected environment in the Sivagangai park, have been transported by using special trucks to Kodiakkrai, in Vedaranyam district, on the shores of the Bay of Bengal.

7. Five-year period ending 2019 set to be hottest on record

According to a new UN report, the five-year period ending 2019 is set to be the hottest ever. It is currently estimated to be 1.1 degrees Celsius above pre-industrial [1850-1900] times and 0.2 degrees Celsius warmer than 2011-2015. The report is titled United in Science, a synthesis of key findings.

The report also suggested that the amount of ice lost from the Antarctic ice sheet increased by a factor of six each year between 1979 and 2017, while glacier loss for 2015-19 is also the highest for any five-year period on record.

8. Gujarat unveiled India's first emissions trading scheme to curb air pollution

Gujarat Chief Minister Vijay Rupani launched India's first emission trading scheme (ETS) to combat particulate air pollution. The programme is a market-based system where the government sets a cap on emissions and allows industries to buy and sell permits to stay below the cap.

The ETS was initiated in Surat by the Gujarat Pollution Control Board (GPCB). Industrial plants can trade permits with each other, just like any other commodity on the National Commodity and Derivatives Exchange Limited (NCDEX).

Finance

1. IDBI Bank introduced repo-linked home and auto loans

IDBI Bank has introduced Repo linked home loan and car loan-Suvidha Plus Home Loan and Suvidha Plus Auto Loan effective from September 10.

RBI, on September 4, had mandated banks to link fresh retail loans to external benchmark. The three external benchmarks the RBI has proposed for linkage of new home and auto loans are its policy repo rate, the Government of India's three-month and six-month treasury bill yields published by Financial Benchmarks India Private (FBIL), or any other benchmark market interest rate published by FBIL.

2. SBI, Shanghai becomes first Indian bank to link up with China National Advance Payment System

The State Bank of India's (SBI) Shanghai branch became the first Indian Bank to connect to China's National Advance Payment System (CNAPS). The CNAPS provides real-time settlement services for all payments cleared in China.

The CNAPS was launched in 2008 by People's Bank of China (PBOC). SBI is the only Indian bank to have obtained the license to do business in local currency. The SBI had obtained the PBOC approval in December 2016 for implementation of the CNAPS and it was made live on July 8, 2019.

3. RBI allowed Bank of China to offer regular banking services in India

The Reserve Bank of India (RBI) allowed Bank of China to offer regular banking services in the country. It has been included in the Second Schedule to the Reserve Bank of India Act. In another notification, 'Jana Small Finance Bank Limited' too has been included in the Second Schedule.

Further, the name of 'The Royal Bank of Scotland plc' has been changed to 'NatWest Markets Plc' in the Second Schedule while 'National Australia Bank' has ceased to be a banking company within the meaning of the Banking Regulation Act.

4. Government launched updated Credit linked Capital Subsidy Scheme for MSMEs

The government launched the updated Credit linked Capital Subsidy Scheme (CLCSS) to allow micro, small and medium enterprises (MSMEs) access to capital. The government has approved an outlay of Rs 2,900 crore for the scheme in February 2019.

The CLCSS offers an upfront subsidy of 15 % on institutional credit up to Rs 1 crore for MSMEs sectors in the specified 51 sub-sectors.

In the new updated scheme, there is an additional 10 % subsidy for Scheduled Castes (SCs) and Scheduled Tribes(ST) entrepreneurs while special provisions have been offered for 117 'aspirational' districts, hill states and the northeastern region in India.

5. RBI Makes External Benchmark Based Interest Rate mandatory from October 1, 2019

Reserve bank of India mandated banks to link all new floating rate personal or retail loans and floating rate loans to MSMEs to an external benchmark to improve transmission of interest rate to be effective October 1, 2019. The banks are free to choose one of the several benchmarks and choose their spread over the benchmark rate.

At present, banks were pricing loans as per MCLR framework but report of the RBI constituted an Internal Study Group recommended that the transmission of policy rate changes under the current MCLR framework has not been satisfactory.

6. India Post Payments Bank announced rollout of AEPs at the 1st Anniversary of its Business Operations

The Union Minister for Communications Shri Ravi Shankar announced the rollout of Aadhaar Enabled Payment System (AePS) Services by India Post Payments Bank (IPPB) for expanding access to financial services for millions of unbanked and underbanked customers. IPPB achieved the milestone of 1 Crore customers and exhorted them to achieve 5 crore target in next one year.

With the launch of AEPS services, IPPB has now become the single largest platform for providing interoperable banking services to the customers of any bank.

7. RBI to come out with mobile app for visually challenged

The Reserve Bank of India will come out with a mobile application to help visually challenged people in identifying currency notes. At present, banknotes in the denominations of ₹10, 20, 50, 100, 200, 500 and 2,000 are in circulation, besides Re 1 notes issued by the Centre.

The proposed mobile app would be able to identify the denomination of notes of Mahatma Gandhi Series and Mahatma Gandhi (New) series by capturing the image of the notes placed in front of mobile camera.

8. Finance Ministry introduced code of conduct and peer review for non-official directors of PSBs

The Finance Ministry has introduced a code of conduct and peer review for non-official directors of public sector banks (PSBs) to enhance governance in public sector banks (PSBs) through improved effectiveness of non-official directors (NODs).

Peer review of NODs has been stipulated upon completion of one year from the date of his/her nomination. The PSBs will now have to file performance report of the NODs to Finance Ministry. NODs are directors nominated by the government, as promoter, at PSBs.

9. Government to recapitalise Public Sector Insurance companies

The government is going to infuse public sector insurance companies -- National Insurance, Oriental Insurance and United India Insurance with funds worth ₹12,000 crores to boost their capital base and meet regulatory norms.

The three Public Sector Undertakings (PSU) insurers have more than 200 insurance products with a total premium of Rs 41,461 crore and a market share of around 35 per cent as on March 31, 2017. The Budget had provisioned ₹70,000 crores for Public Sector Banks (PSB) recapitalisation and last week a ₹55,250-crore infusion was announced in several PSBs for regulatory and growth requirements.

10. NDA government takes key steps to make India 5 trillion economy

With an objective to make India a five trillion-dollar economy, the NDA government has undertaken several measures to boost the economy.

- Cabinet committees set up to spur investment and create new employment opportunities in the country.
- A high-powered Committee setup on structural reforms in the agriculture sector.
- To boost the automobile sector, it has increased the allowable depreciation to 30% on all vehicles acquired from now till March 2020.
- Customs duty is being exempted on certain parts of electric vehicles to further incentivise e-mobility.
- 70,000 crore rupees will be released to public sector banks.

11. Centre to give support of Rs 8,500 crore to ECGC

The Central government will give support of 8,500 crore rupees to Export Credit Guarantee Corporation of India, ECGC, in the next five years. The interest rates will be 3.5%. ECGC has introduced a scheme called Niryat Rin Vikash Yojana - NIRVIK to enhance loan availability to exporters.

Under the new scheme NIRVIK, up to 90% of the principal amount and interest will be covered through insurance. It will cover both pre and post-shipment credit.

12. Commerce Ministry raised Insurance cover for Banks up to 90% for Working Capital Loans

Union Minister of Commerce & Industry and Railways, Piyush Goyal informed about the details of the Export Credit Insurance Scheme (ECIS) in New Delhi. Ministry of Commerce & Industry has enhanced Insurance cover for Banks up to 90% for the working capital loans and moderation in premium incidence for the MSME sector. Enhanced cover will ensure that Foreign and Rupee export credit interest rates will be below 4% and 8% respectively for exporters.

The existing covers issued by Export Credit Guarantee Corporation of India (ECGC) will continue for the existing customer banks.

13. MFIN, Sa-Dhan jointly launch ‘Code for Responsible Lending’ for microfinance industry

Microfinance Institutions Network (MFIN) and Sa-Dhan along with FIDC (Finance Industry Development Council) have jointly launched the ‘Code for Responsible Lending’ (CRL) for the micro credit industry. The CRL was launched at Sa-Dhan’s 15th Annual National Conference held in New Delhi.

Sa-Dhan is Reserve Bank of India (RBI) recognised self-regulatory organisation and industry association for the microfinance industry. A common CRL unveiled would bar more than three lenders offering loans to a single borrower and cap the size of total lending to Rs.1 lakh per borrower.

14. RBI expands scope of Bharat Bill Payment System

The Reserve Bank of India has expanded the scope of the Bharat Bill Payment System (BBPS) by adding other categories of recurring payments through the portal like school fees, insurance premiums and municipal taxes.

Currently, the facility of payment of recurring bills through BBPS is available only in five segments—direct to home (DTH), electricity, gas, telecom and water. The system will provide multiple payment modes and instant confirmation of payment. BBPS functions under the aegis of National Payments Corporation of India (NPCI).

15. Public Sector Banks to organise ‘loan melas’ in 400 districts

Finance Minister Nirmala Sitharaman announced to organise ‘loan melas’ or “Shamiana meetings” in 400 districts by Public Sector Banks, non-banking financial companies (NBFCs) and micro-finance institutions. The first will be held between October 3 and 7 in 200 districts, while the remaining 200 will be covered October 11 onwards, for consumers who may want a loan.

Each and every bank will be allotted a number of districts such as SBI is expected to hold the most in 50 districts and Syndicate Bank will operate in 25 districts.

16. Airtel Payments Bank launched ‘Bharosa’ savings account

Airtel Payments Bank launched Bharosa Savings Account, which has been designed to serve the unique needs of underbanked and unbanked customers. Bharosa Savings Account offers free Personal Accident Insurance cover worth Rupees Five Lakhs on maintaining a balance of just Rs 500 along with one debit transaction per month.

Customers will be also eligible for cashback - if they decide to receive government subsidies in their Bharosa Account or if they make cash deposits in it. Airtel Payments Bank was the first payments bank to launch operations in India.

17. Digital Payment Abhiyan launched by DSCI, MeitY and Google India

Nasscom's Data Security Council of India (DSCI), electronics and IT ministry (MeitY) and Google India collaborated to launch nationwide awareness campaign 'Digital Payment Abhiyan' to make people aware of digital frauds and adopt security and safety best practices.

DSCI has onboarded various digital payments ecosystem partners such as representation partners from banking, card networks as well as fin-tech segment. Campaign will educate people about the dos and don'ts for different payment channels including UPI, wallets, cards as well as netbanking and mobile banking.

18. RBI puts Mumbai-based PMC Bank under directions

The Reserve Bank of India has placed the Punjab and Maharashtra Cooperative (PMC) Bank Limited, Mumbai, Maharashtra under Directions. According to the Directions, depositors will be allowed to withdraw a sum not exceeding 1,000 rupees of the total balance in every savings bank account or current account or any other deposit account, subject to conditions stipulated in the RBI Directions.

The bank will also not be able to grant or renew any loans and advances, make any investment, incur liability including borrowing of funds and acceptance of fresh deposits, without prior approval in writing from the Reserve Bank. The Directions shall remain in force for a period of six months from the close of business of the bank on 23rd September, 2019.

Important Days

1. National Nutrition Week observed from 1st to 7th September

The National Nutrition Week was observed throughout the country from 1st to 7th September. The week is used to celebrate for making people to know about the proper Health by eating proper Nutrition Foods and to get them the Importance of the Nutrition to their Body.

The basic objective of this annual event is to intensify awareness generation on the importance of nutrition for health which has an impact on development, productivity, economic growth and ultimately National development.

2. World Breastfeeding Week 2019

World Breastfeeding Week is celebrated every year from 1 to 7 August to encourage breastfeeding and improve the health of babies around the world. The Women and Child Development Ministry of India also observed the World Breastfeeding Week with a focus on protection, promotion and support of breastfeeding with the theme "Empower Parents, Enable Breastfeeding".

WABA | WORLD BREASTFEEDING WEEK 2019

World Health Organization (WHO) recommends exclusive breastfeeding starting within one hour after birth until a baby is 6 months old.

3. International Day of Charity

The International Day of Charity is observed annually on 5th September to raise awareness and provide a common platform for charity related activities all over the world to alleviate poverty worldwide.

The International Day of Charity was declared officially by the UN General Assembly in 2012. 5th September is the selected date as it commemorates the anniversary of the passing away of Mother Teresa who worked tirelessly to overcome poverty, distress and suffering of the poorest in the world.

4. World Suicide Prevention Day (WSPD)

The World Suicide Prevention Day (WSPD) is observed annually on 10th September. It is organised by the International Association for Suicide Prevention (IASP). The purpose of this day is to raise awareness around the globe that suicide can be prevented.

The WHO has launched a “40 seconds of action” campaign to raise awareness of the scale of suicide around the world and the role that each of us can play to help prevent it.

5. International Literacy Day

The International Literacy Day is observed annually on 8th September to promote and support the development of literacy and skills, universal access to quality education and learning opportunities throughout people's lives. The theme for 2019 is 'Literacy and Multilingualism'.

September 8th was proclaimed as International Literacy Day (ILD) at the 14th session of UNESCO's General Conference on 26 October 1966. The purpose was not only to combat illiteracy but also to promote literacy as a tool that could empower individuals as well as whole communities.

6. National Hindi Divas observed on 14th September

National Hindi Diwas was celebrated all over India on 14th September. The day is observed annually to promote and propagate the Hindi language. Its importance is demonstrated by feasts, events, competitions and other services held on this day.

The event also serves as a patriotic reminder to Hindi-speaking populations of their common roots and unity. Hindi is spoken as a mother tongue by around 258 million people and is known as the 4th largest language of the world.

7. World Ozone Day observed

The United Nations' (UN) International Day for the Preservation of the Ozone Layer is celebrated annually on 16th September. The theme for this year was "32 Years and Healing". India's National Cooling Action Plans has been recognized by the United Nations Secretary General, Mr António Guterres in his message on World Ozone day 2019.

The India Cooling Action seeks to (i) reduce cooling demand across sectors by 20% by 2037-38, (ii) reduce refrigerant demand by 25% by 2037-38, (iii) Reduce cooling energy requirements by 25% to 40% by 2037-38, (iv) training of 100,000 servicing sector technicians by 2022-23.

8. International Day of Democracy observed

The United Nations' (UN) International Day of Democracy is observed annually on 15th September to raise public awareness about democracy. The theme of International Day of Democracy 2019 is 'Participation'. According to the UN, Democracy is built on inclusion, equal treatment and participation — and it is a fundamental building block for peace, sustainable development and human rights.

The day was created by the UN General Assembly through a resolution in 2007 to strengthen national programmes devoted to the promotion and consolidation of democracy.

9. World Bamboo Day observed on September 18

World Bamboo Day is observed every year on the 18th of September by the World Bamboo Organisation to generate awareness about conserving and promoting the bamboo industry.

The World Bamboo Organisation aims to bring the potential of bamboo to a more elevated exposure – to protect natural resources and the environment, to ensure sustainable utilisation, to promote new cultivation of bamboo for new industries in regions around the world, as well as promote traditional development.

uses locally for community economic development.

10. First World Patient Safety Day observed by WHO on September 17

World Health Organization (WHO) declared September 17, 2019 as the first World Patient Safety Day. On the first-ever World Patient Safety Day on 17 September 2019, WHO launched a global campaign to create awareness of patient safety and urge people to show their commitment to making healthcare safer. The theme was "Patient Safety: a global health priority" and the slogan was "Speak up for patient safety."

**Speak up
for patient
safety!**

No one should be
harmed in health care

World
Patient Safety
Day - 17 September

The campaign aimed to mobilise patients, health workers, policymakers, academics, researchers, professional networks and the health-care industry to speak up for patient safety.

11. International Day of Sign Languages observed

The International Day of Sign Languages was observed on 23rd September. It is observed annually. The objective of the day is to raise awareness of the importance of sign language in the full realization of the human rights of people who are deaf.

Sign languages are fully-fledged natural languages, structurally distinct from the spoken languages. The theme of the day in 2019 was "Sign Language Rights for All". According to the World Federation of the Deaf, there are approximately 72 million deaf people worldwide. Collectively, they use more than 300 different sign languages.

12. International Day of Peace observed

The International Day of Peace is observed annually all around the world on 21 September. The General Assembly has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples.

The Day's theme for 2019 is 'Climate Action for Peace'. The theme focuses on the need of combating climate change as a way to protect and promote peace throughout the world. The day is sometimes unofficially known as World Peace Day. To inaugurate the day, the United Nations Peace Bell is rung at UN Headquarters (in New York City).

*International
Day of Peace*

13. World Rhino Day observed

The World Rhino Day is celebrated on September 22 every year. World Rhino Day was actually started by World Wildlife Fund (WWF)-South Africa. The theme of the day in 2019 is "Five Rhino Species Forever" that celebrates both the African and Asian rhino species.

Rhinoceros are characterised by a very large horn, for which they are killed by humans.

Rhino horns are bought and sold on the black market for their presumed therapeutic properties. Due to extensive poaching, three of the five rhino species are listed as critically endangered.

14. International Day for the Total Elimination of Nuclear Weapons

The International Day for the Total Elimination of Nuclear Weapons is observed annually on 26th September across the globe. The day is celebrated in voice of global nuclear disarmament as a high priority.

There are growing variations on the future of multilateral nuclear disarmament. There are at least 17,000 nuclear weapons in the world today. The day also provides an opportunity to educate the public-and their leaders-about the real benefits of eliminating such weapons, and the social and economic costs of perpetuating them.

and the social and economic costs of

15. World Maritime Day

The World Maritime Day is celebrated every year on 26th September. The World Maritime Day theme for the year is "Empowering Women in the Maritime Community". This provides an opportunity to raise awareness of the importance of gender equality, in line with the United Nations' Sustainable Development Goals, and to highlight the important - yet under-utilised - contribution of women within the maritime sector.

According to the United Nations, at present women represent only 2% of the world's 1.2 million seafarers and 94% of female seafarers are working in the cruise industry.

16. World Tourism Day

World Tourism Day is commemorated each year on 27 September. Its purpose is to foster awareness among the international community of the importance of tourism and its social, cultural, political and economic value. The theme for World Tourism Day 2019 is "Tourism and jobs: a better future for all". India, for the first time, is hosting the World Tourism Day in 2019.

The day of September 27 was chosen for World Tourism Day because the Constitution of the World Tourism Organization was accepted on this day in 1970.

International

1. Sri Lanka signed four agreements with Maldives

Maldives and Sri Lanka have exchanged an Agreement of Cooperation and three Memoranda of Understanding. They are:

- facilitation of visa arrangements allowing for free 90-day on-arrival visas for visitors between the two countries.
- an MoU on Cooperation in the area of Social Protection to provide support and protect vulnerable members of society, including children, the elderly and persons with disabilities.
- an MoU on Higher Education to expand education opportunities for students of both countries.
- an MoU on Vocational Training and Youth Development to increase knowledge and experience sharing pertinent to helping youth develop their social and leadership skills.

2. Indonesia to move capital from Jakarta to East Kalimantan

Indonesian President Joko Widodo announced that the country's capital will move from Jakarta to a site in East Kalimantan province on Borneo island. Jakarta is the centre of government, business, finance, trade and services.

Jakarta is home to 10 million people, and is overcrowded and heavily polluted. It is prone to earthquakes and flooding, and parts of the city are sinking as much as 25cm a year as a result of subsidence. The Borneo Island is known for rainforests and orangutans.

3. India, US agree to pursue collaboration between their defence industry & start-ups

Indian and US officials have agreed to pursue a policy environment conducive to collaboration between the defence industry and start-ups in both countries. An understanding in this regard was reached during the 15th meeting of the India-US Defence Policy Group (DPG) in Washington.

The Defence Policy Group or DPG is the top official-level meeting mechanism between India and the US on defence issues, which comprehensively reviews and guides all aspects of bilateral cooperation between the two countries.

4. Netherlands bans face-covering clothing

The Netherlands banned face-covering clothing, such as a burqa or niqab, in public buildings and on transport. The Netherlands is the latest European country to introduce such a ban, following the likes of France, Germany, Belgium, Austria and Denmark.

The legislation also applies to other face coverings such as full-face helmets, balaclavas or ski mask. France was the first European nation to ban the public use of veils, both face-covering niqabs and full-body burqas.

5. 10th Mekong Ganga Cooperation Ministerial Meeting held in Bangkok

The 10th Mekong Ganga Cooperation (MGC) Ministerial Meeting was held in Bangkok, Thailand. External Affairs Minister S Jaishankar represented India.

The Ministers adopted the new MGC Plan of Action 2019-2022 that envisages project-based cooperation in the seven areas of MGC cooperation, namely tourism and culture, education, public health and traditional medicine, agriculture and allied sectors, transport and communication, MSMEs as well as three new areas of cooperation, i.e. water resources management, science and technology, skill development and capacity building.

1 August 2019, Bangkok, Thailand

6. India, South Korea sign two major agreements

India and South Korea signed two memorandum of understanding (MoU) to further defence educational exchanges and extend logistical support to each other's Navies.

The logistics agreement will help the Indian Navy in interoperability, especially when it operates in the Indo-Pacific Region in the ports of South Korea. The agreements were signed after the talks between Defence Minister Rajnath Singh and his South Korean counterpart Jeong Kyeongdoo in Seoul.

7. South Africa temporarily closed its diplomatic missions in Nigeria

South Africa has temporarily closed its diplomatic missions in Nigeria following reprisal attacks by Nigerians triggered by xenophobic violence in South Africa. Nigeria too introduced plans to evacuate its nationals from South Africa following a wave of attacks on foreigners.

South African-owned businesses were targeted by protesters in several Nigerian cities as a reprise to the killing of Nigerians in South Africa. Rioting in South Africa against foreign businesses has killed at least many people in Johannesburg and Pretoria.

8. India Pavilion inaugurated at the 44th Toronto International Film Festival 2019

High Commissioner of India to Canada, Vikas Swarup, inaugurated the India Pavilion at the 44th Toronto International Film Festival (TIFF) 2019. It will provide a platform to showcase Indian Cinema in the overseas market and facilitate new business opportunities.

IFFI 2019 poster and brochure were also released on the occasion. The year 2019 marks the Golden Jubilee Edition of IFFI which is to be held in Goa later this year. TIFF provides ideal platform for global outreach of 50th IFFI 2019.

9. Defense Minister Rajnath Singh addressed 8th Seoul Defense Dialogue in South Korea

Union Defense Minister Rajnath Singh delivered the keynote address at Plenary session of the 8th Seoul Defense Dialogue in Seoul, Republic of Korea. The theme of Defence Dialogue was- 'Building Peace Together: Challenges and Vision'.

The Seoul Defense Dialogue was launched in 2012 as a vice ministerial level multilateral security consultation regime for talks on Asia-Pacific cooperation and peace on the Korean Peninsula.

10. US Federal Trade Commission fines YouTube with \$170 million

Google LLC and its subsidiary YouTube was fined with \$170 million by US's Federal Trade Commission for violating Children's Online Privacy Protection Act (COPPA). YouTube earned millions by illegally tracking viewers of children's channels using cookies without their parents' consent and used those cookies to deliver millions of dollars in targeted advertisements. Cookies track user behavior across the internet.

As per COPPA act, it is required to obtain parental consent for collecting information on children under age 13 from child-directed sites to disclose data practices.

11. Russia, Ukraine exchange prisoners

Russia and Ukraine have completed a long-awaited exchange of prisoners between them. A total of 70 prisoners were involved in this landmark exchange. This is the first major exchange of prisoners between Russia and Ukraine since the conflict over eastern Ukraine erupted in 2014.

It could be a crucial step in easing tensions between the ex-Soviet neighbours over Russia's annexation of Crimea and the subsequent war that has left more than 13,000 dead in Donetsk and Luhansk regions.

12. College building, constructed with Indian aid, inaugurated in Kathmandu

Indian Ambassador to Nepal, Manjeev Singh Puri, inaugurated a new building of Koteshwor Multiple Campus in Kathmandu. It was constructed with the Government of India's grant assistance of 45.10 million Nepali rupees. The new three-storey building comprises 18 classrooms and separate sanitation facilities for boys and girls among other facilities.

Koteshwor Multiple Campus, established in 1990, is a non-profitable non-governmental, service-oriented community college situated at Koteshwor in Kathmandu district. The Campus has over 3,700 students, about 60% of whom are girls.

13. Iran fired up advanced centrifuges in latest nuclear step

Iran has fired up advanced centrifuges to boost its enriched uranium stockpiles. According to the Atomic Energy Organisation of Iran, it had activated 20 IR-4 and 20 IR-6 centrifuges.

The move could lead to Tehran enriching uranium much faster and gaining the means to build atom bombs. Under the 2015 Joint Comprehensive Plan of Action (JCPOA), Iran was allowed to enrich uranium, using only first-generation or IR-1 centrifuges.

14. Amazon countries meet to bolster rainforest protection

Presidents and Ministers from seven Amazon countries met in Colombia to take measures on protecting the world's biggest rain-forest from wildfires and rampant deforestation. The representatives of the seven nations signed the "Leticia Pact for the Amazon".

The new measures include the establishment of an "Amazonian cooperation network" to share information on deforestation, including weather data to mitigate the effects of climate change, and threats from illegal mining and logging.

15. US states announced antitrust probe of Facebook

A coalition of US states announced an antitrust investigation of Facebook to determine if the social media giant has hindered competition and put users at risk. The states include - New York state, District of Columbia, Colorado, Florida, Iowa, Nebraska, North Carolina, Ohio and Tennessee.

The move marks the first official US antitrust action against one of the big tech companies -- although a landmark case had targeted Microsoft back in the 1990s.

16. Argentina invites India for Mar del Plata Film Festival and Ventana Sur 2019

The Instituto Nacional de Cine y Artes Audiovisuales (INCAA) has invited India for the Mar del Plata Film Festival and Ventana Sur 2019. INCAA is the National Institute of Cinema and Audiovisual Arts in Argentina.

The Mar del Plata International Film Festival will be held between November 9 and November 18. The Indian delegation met the Argentine

delegation at the Toronto International Film Festival (TIFF) 2019 as part of the outreach for the Golden Jubilee edition of International Film Festival of India (IFFI).

17. India hosts 6th India-China Strategic Economic Dialogue

India hosted the three-day 6th India-China Strategic Economic Dialogue in New Delhi from 7-9 September. It is an annual event attended by NITI Aayog of India and National Development and Reforms Commission (NDRC) of China. It is held alternatively in New Delhi and Beijing.

The dialogue comprised of round table meetings of joint working groups (JWG) on infrastructure, energy, high-tech, resource conservation, pharmaceuticals and policy coordination. The bilateral trade between the countries stood at USD 87 billion in 2018-19. The trade deficit stood at USD 50 billion in favour of China.

18. 4th Indian Ocean Conference 2019 held in Male

4th Indian Ocean Conference 2019 was recently held in Male, Maldives. The theme of the two-day conference was 'Securing the Indian Ocean Region: Traditional and Non-Traditional Challenges'. Indian External Affairs Minister S. Jaishankar was one of the speakers at the event.

The conference was chaired by Sri Lankan Prime Minister Ranil Wickremesinghe and it was organised by India Foundation (based in New Delhi), in association with Government of Maldives and S Rajaratnam School of International Studies (RSIS) in Singapore.

19. 5th Eastern Economic Forum (EEF) held in Vladivostok

The 5th edition of the Eastern Economic Forum (EEF) was held in Vladivostok, Russia from September 4-6. It was aimed at providing a platform for discussing issues aimed at expanding international cooperation in Asia-Pacific region and developing the economy of Russia's Far East.

The participants in Summit were India, Malaysia, Japan, Australia, and South Korea.

India's Prime Minister Narendra Modi was Chief Guest at the event being hosted by Russian President Vladimir Putin. EEF is annual event held at Vladivostok, Russia to encourage foreign investment in the Russian Far East.

20. Heartland International Film Festival, USA to explore “Special Focus on India”

The Indian Delegation met prominent representatives from the International Film Fraternity on the third day of Toronto International Film Festival 2019. The discussions included participation at the Golden Jubilee Edition of IFFI, possibility of taking forward Government thrust of “Ease of filming in India”, recent initiatives to promote film facilitation etc.

Ms Hannah Fisher, Programming Head of Heartland International Film Festival of USA discussed the possibility of special focus on India for the Festival commencing from 10th October 2019 under the ‘Foreign Language Category.

21. India announced USD 1 million humanitarian aid for Bahamas

India announced a humanitarian assistance of USD 1 million to help people in the Bahamas affected by Hurricane Dorian. Hurricane Dorian the fifth tropical cyclone devastated the northwestern Bahamas and caused significant damage to the Southeastern United States and Atlantic Canada. The death toll from the calamity has risen to over 40 and at least 70,000 people were left homeless.

Hurricane Dorian is the first major hurricane of the 2019 Atlantic hurricane season and had caused property damages of \$7 billion to the Bahamas.

22. India participated in Thessaloniki International Fair in Greece

An Indian delegation led by Minister of State (MoS) for Commerce and Industry, Hardeep Singh Puri participated in the 84th Thessaloniki International Fair (TIF) in Greece. The Minister of State for Commerce and Industry highlighted the prospects for the development of Indian business in Greece and the wider region of Southeast Europe to strengthen bilateral trade relations between the two countries.

During the TIF Fair a large number of exhibitors from ISRO, National Thermal Power Corporation (NTPC), Agricultural Produce Export Development Authority (APEDA), companies from MSMEs and tiles and ceramics industry.

23. 7th RCEP Ministerial Meeting Held in Bangkok

Union Minister of Commerce & Industry and Railways Piyush Goyal participated in 7th RCEP Ministerial Meeting held in Bangkok, Thailand. The Ministers from the 16 RCEP Participating Countries (RPCs) gathered in Bangkok to review developments in the RCEP negotiations and recognised that negotiations have reached a critical milestone. RCEP will provide the much-needed stability and certainty to the market, which will in turn boost trade and investment in the region.

The Ministers made the collective call to negotiators to handle uncertainties in trade and investment environment.

24. Motihari-Amlekhganj (Nepal) pipeline inaugurated by PM Modi and PM Oli of Nepal

PM Modi and PM Oli of Nepal jointly inaugurated a cross-border petroleum products pipeline. It is South Asia's first cross-border petroleum products pipeline from Motihari in India to Amlekhgunj in Nepal. 69-km Motihari-Amlekhgunj pipeline, having a capacity of 2 million metric ton per annum, will provide cleaner petroleum products at affordable cost to the people of Nepal.

Prime Minister Oli announced to reduce the price of petroleum products by Rs. 2 per litre in Nepal. The consumers on both sides are set to benefit from the reduction in costs once this pipeline becomes operational.

25. India and Iceland signed agreements

India and Iceland signed agreements to enhance cooperation in the field of sustained fisheries development and organise cultural exchange programme between 2019 and 2022. Iceland also declared exemption from Visa for Indian diplomatic and official passport holders. The agreements and MoUs were signed in the presence of President Ram Nath Kovind and his Iceland counterpart Gudni Johannesson in Reykjavik in Iceland.

Iceland was invited to be part of the international solar alliance led by India to promote solar energy worldwide.

26. North Korea confirmed 2nd test of multiple rocket launcher

North Korea confirmed test-launch of a "super-large multiple rocket launcher" system, the latest in a series of weapons tests performed by Pyongyang amid stalled diplomacy over its nuclear programme. It was the second known test of a super-large multiple rocket launcher, needed to cope with outside military threats. The first test of the weapon occurred in August 2019.

North Korean leader Kim Jong Un supervised the two rounds of test-firings at an unidentified place. The unidentified projectiles launched by North Korea flew approximately 330 kilometres.

27. Scotland Court ruled Boris Johnson's suspension of parliament as unlawful

Scotland's highest civil court has ruled that British Prime Minister Boris Johnson's suspension of the UK Parliament is unlawful. A panel of three judges at the Court of Session gave the ruling in favour of a cross-party group of politicians.

Court of Session judges unanimously called Prime Minister's decision to suspend Parliament was motivated by improper purpose of stymying Parliament. MPs are not currently scheduled to return to Parliament until 14 October, when there will be a Queen's Speech outlining Mr Johnson's legislative plans. The UK is due to leave the EU on 31 October.

28. US Prez Trump issued new executive order to combat terrorism

United States President Donald Trump has issued a new executive order on the eve of the 9/11 terror attacks eighteenth anniversary that would enhance the country's ability to target terrorists and those who finance their activities to deter perpetrators of terrorism worldwide. Utilizing the new order, the Treasury sanctioned over two dozen individuals and entities from 11 terrorist groups.

It allows the US Government to better target terror group leaders and provides new tools to pursue individuals who participate in terrorist training.

29. New satellite images show increase in air pollution in Amazon after fires

New satellite images published by the European Space Agency show an increase in air pollution in the Brazilian Amazon while fires burned in the region in August. Several maps showed more carbon monoxide and other pollutants increased in September as compared to August. Fires released carbon dioxide once stored in the Amazon forests back into the atmosphere, potentially having an impact on the global climate and health.

Data from Brazil's National Institute for Space Research showed the number of fires in all of Brazil has surpassed 1 Lakh in 2019, up by 45% than 2018.

30. 24th World Energy Congress began in Abu Dhabi

The 24th World Energy Congress commenced in Abu Dhabi under the patronage of Sheikh Khalifa bin Zayed Al Nahyan, President of the United Arab Emirates. The theme 'Energy for Prosperity' represents the ambitious and dynamic energy transition of the country.

The four-day World Energy Congress aimed to bring together international energy stakeholders, including governments, private and state corporations, academia and media. With over 15,000 participants expected, the Congress welcomed over 250 high-level speakers, 72 Ministers, 500 CEOs, 1000 media persons with 40,000 square-metre exhibition space that covered the entire energy spectrum.

31. Saudi Arabia appointed Prince Abdulaziz bin Salman as new Energy minister

Kingdom of Saudi Arabia appointed Prince Abdulaziz bin Salman as its new Energy minister, one of the most important positions in the government. He replaced the long time oil industry veteran Khalid Al Falih.

Prince Abdulaziz is the son of the King of Saudi Arabia. He had earlier served as the Deputy and State Energy Minister for several years. It is the first time a member of the ruling Al Saud family has held the energy minister post in the world's top oil exporter.

32. FATF evaluated Pakistan's compliance on its 27-point action plan in Bangkok

The Asia-Pacific Group, the regional affiliate of the FATF evaluated Pakistan's compliance on its 27-point action plan in Bangkok. The exercise is a prelude to Pakistan's final review by the FATF, the working group meeting scheduled for October 13-18 in Paris.

FATF has already put it on notice in its Grey list. The Asia Pacific Group held its last meeting in Canberra on 23rd August and found that Pakistan was non-compliant on 32 of the 40 parameters of terror financing and money laundering. Pakistan could not convince the 41-member plenary to upgrade it on any parameter.

33. 22nd Session of UN Committee on CRPD held at Geneva

The 22nd Session of UN Committee on Convention on Rights of Persons with Disabilities was held at Geneva. The UN Committee on CRPD in its 22nd Session took up India's First Country Report for consideration.

India is a signatory of the United Nations Convention on Rights of Persons with Disabilities (UNCRPD). It ratified this Convention on 01-10-2007 in pursuance of Article 35 of the Convention. India submitted its First Country Report on Status of Disability in India in November 2015.

34. India joined the Global Antimicrobial Resistance Research and Development Hub

India joined the Global Antimicrobial Resistance (AMR) Research and Development (R&D) Hub as a new member. This expands the global partnership working to address challenges and improve coordination and collaboration in global AMR R&D to 16 countries, the European Commission, two philanthropic foundations and four international organisations (as observers).

The Global AMR R&D Hub was launched in May 2018 in the margins of the 71st session of the World Health Assembly. The Global AMR R&D Hub supports global priority setting and evidence-based decision-making on the allocation of resources for AMR R&D.

35. Global leaders call for urgent action on Climate adaptation at concluding day of Cop 14

At the closing of the 14th Conference of Parties under the United Nations Convention to Combat Desertification, global leaders called for urgent action on Climate adaptation. The 'Delhi Declaration' will also be adopted by the parties.

The 12-day Conference witnessed quality dialogues and stronger partnership to address land degradation and mitigating climate change. The core agenda of the Conference was to reverse land degradation and its outcomes while accelerating positive achievements for people and for ecosystems.

36. UAE Prez bestows First Class Order of Zayed II award to Navdeep Singh Suri

UAE President Sheikh Khalifa bin Zayed Al Nahyan has bestowed the First Class Order of Zayed II award to the outgoing Indian Ambassador, Navdeep Singh Suri, for his contribution to the development and strengthening of friendly relations and co-operation between the two friendly countries.

The award is given in recognition of his contribution to the development and strengthening of friendly relations and co-operation between the two countries. It is a rare honour given to any diplomat. Suri has been heading the Indian mission in the UAE since October 2016.

37. Pakistan likely to miss IMF's tax refund condition

Cash strapped Pakistan is set to miss the International Monetary Fund's condition to refund Rs. 75 billion to taxpayers despite an incentive by the global lender. The International Monetary Fund (IMF) had offered to soften the tough primary budget deficit reduction target if the country performs better in tax refunds.

Under the IMF's six-billion-dollar loan deal, Pakistan is required to reduce the primary budget deficit, calculated by excluding interest payments, to Rs. 276 billion in the current fiscal year 2019-20 from last year's level of Rs. 1.350 trillion.

38. Thailand becomes 1st country in Asia to roll out plain cigarette packaging

Thailand became the first country in Asia to roll out plain cigarette packaging to reduce the appeal of smoking. Australia was the first country to have made such law to require tobacco products to be sold without colourful brand logos in 2012.

Plain packaging was included in guidelines to the WHO Framework Convention on Tobacco Control (WHO FCTC). On 31 May 2016, on World No Tobacco Day, the WHO called on governments to get ready for plain packaging of tobacco products.

39. Vietnam opens Southeast Asia's largest solar power farm

Vietnam inaugurated Southeast Asia's largest solar power farm, The Dau Tieng Solar Power Complex, which has the capacity to produce 688 million kWh of electricity annually. The Dau Tieng Solar Power Complex which is a joint venture with the Thai industrial group B.Grimm Power Public Company, has an investment of more than \$391 million.

Southeast Asia's largest solar power farm is expected to generate 10% of the country's solar energy to guarantee supply to 320,000 homes and can prevent the emission of 595,000 tons of carbon dioxide into the atmosphere every year.

40. Sri Lanka flagged off Pulathisi Express, a 'Make In India' train

Sri Lanka flagged off Pulathisi Express, a 'Make In India' train, from Colombo Fort Railway station. The rake of the train was manufactured in the Integral Coach Factory (ICF) in Chennai. It has been inducted under an Indian Line of Credit.

ICF will manufacture six DEMU rakes consisting of 78 coaches in five variants. The order is being jointly executed by RITES and ICF under the India-Sri Lanka economic cooperation agreement.

41. India conducted special training programme for Maldivian civil servants

India conducted a two-week special training programme for Maldivian civil servants in Delhi and Mussoorie as a part of a bilateral MoU on Training and Capacity Building Programme between the National Centre for Good Governance (NCGG) and the Maldives Civil Service Commission (CSC).

Prime Minister Narendra Modi, during his visit to the Maldives in June, had emphasised India's Neighbourhood First policy. The MoU envisages capacity building activities for 1,000 civil servants of the Maldives at the National Centre for Good Governance over the next five years.

42. President of India in Slovenia; Attends Bilateral Meetings; Leads Delegation Level Talks

The President of India, Shri Ram Nath Kovind reached Ljubljana, Slovenia and discussed possible collaboration between the two nations on a wide range of issues such as high technology, especially clean technology, robotics and artificial intelligence. On the issue on Climate change and environment, the President urged Slovenia to join the International Solar Alliance and strengthen India's efforts to combat climate change.

India and Slovenia signed and exchanged seven MoUs and Programmes of Cooperation in the fields of Investment, Sports, Culture, River Rejuvenation (Clean Ganga Mission), Science & Technology and Standards in the presence of the two Presidents.

43. UNESCO announced to publish anthology of Guru Nanak Dev's writing in world languages

United Nations Educational, Scientific and Cultural Organization (UNESCO) has decided to translate and publish an anthology of the writings of Guru Nanak Dev in world languages to mark his 550th birth anniversary.

Indian government will hold a series of events and has initiated projects to mark 550th birth anniversary of Guru Nanak Dev such as construction of Kartarpur Corridor from Dera Baba Nanak in Gurdaspur district, development of the historic town of Sultanpur Lodhi as a heritage town, upgradation of Sultanpur Lodhi railway station and release of commemorative coins and postage stamps.

44. Bangladesh PM instructs government officials to fly by Biman Bangladesh Airlines

Bangladesh Prime Minister Sheikh Hasina has announced that government officials must fly by Biman Bangladesh Airlines on the routes where the government-run carrier operates flights.

Bangladesh inducted the fourth Boeing-787-8 dreamliner Rajhangsha in the Biman Bangladesh fleet at the Shahjalal International Airport in Dhaka. With the new aircraft, the fleet strength of Biman Bangladesh has gone up to 16. It is part of a 2.1-billion-dollar agreement signed with Boeing in 2008 to purchase 10 new aircraft.

45. Sri Lanka unveiled South Asia's tallest tower

Sri Lanka unveiled South Asia's tallest tower built at a cost of over \$100 million, 80% of which has been funded by China under the controversial Belt and Road Initiative (BRI).

The 350-metre-tall 17-storey Lotus Tower comprises a television tower, a hotel, a telecommunications museum, restaurants, auditorium, an observation deck, a shopping mall and a conference centre. Sri Lanka and China signed the Lotus Tower agreement in 2012, with China National Electronics Import and Export Corporation (CEIEC) being the general contractor.

46. 55th ITEC Day celebrated in Dhaka

The 55th Indian Technical and Economic Cooperation (ITEC) Day was celebrated at the High Commission of India in Dhaka, Bangladesh. Around 300 ITEC alumni attended the programme. ITEC offers opportunities to participants to avail of short and medium term courses in premier institutions like IITs and IISCs in India. It was instituted in 1964 as part of India's Development Assistance offering for developing countries.

Every year more than 10,000 training slots are offered to 161 partner countries for training courses in various areas.

47. India announced 12 million dollar grant to Pacific Island countries

Prime Minister Narendra Modi met leaders of the Pacific Islands Developing States (PSIDS) on the sidelines of the UNGA session in New York and announced allocation of 12 million US Dollar grant towards the implementation of high impact developmental project in the area of their choice.

In addition, a concessional Line of Credit of 150 Million dollars which can be availed by the PSIDS for undertaking solar, renewable energy and climate-related projects based on each country's requirement was announced.

48. Bangladesh, Myanmar & China to form tripartite mechanism for Rohingya Repatriation

Bangladesh, Myanmar and China have agreed to form a tripartite joint working mechanism to oversee the repatriation process of Rohingyas to Myanmar. The proposal was mooted by China which was also agreed to by Myanmar and Bangladesh.

Bangladesh and Myanmar had signed two agreements in November 2017 for repatriation of the Rohingyas within two years but two repatriation attempts have failed as the Rohingyas refused to return without the guarantee of citizenship and safety in Myanmar.

49. World's first camel hospital at Dubai set to expand its facilities

World's first camel hospital at Dubai is set to expand its facilities by an additional 50%. It is a unique hospital catering specifically to the needs of the burgeoning camel industry. The camel hospital, built at an estimated cost of 40 million Dirhams, opened in 2017 to meet the demand in the UAE for an advanced medical facility dedicated to treating camels.

Camels are an integral part of the United Arab Emirates' heritage. Historically, camels, known as the 'Ship of the Desert' were a source of transport as well as food and milk in the region.

50. International tour operator Thomas Cook collapsed

International tour operator Thomas Cook has collapsed after last-minute negotiations aimed at saving the 178-year-old holiday firm failed. The firm collapsed after it failed to meet the demand of the Royal Bank of Scotland and a range of other banks to pay them 250 million US dollar.

Since May 2018, shares have fallen by more than 96% amid Brexit uncertainty and intense competition in the tourism sector. Cabinet maker Thomas Cook created the travel firm in 1841.

51. Abu Dhabi awards licences to 18 non-Muslim places of worship

The Department of Community Development (DCD) in Abu Dhabi has awarded licences for the existing 18 non-Muslim places of worship in the Emirate of Abu Dhabi; 17 churches and the BAPS Hindu Mandir which is under construction in Abu Dhabi.

The country's Christian population currently stands at 13%. There are two Hindu temples in Dubai — to accommodate the roughly 3.3 million Indians in the country — and one Sikh gurdwara. Construction of Abu Dhabi's first Hindu temple is currently underway, and is expected to open its doors in 2020.

52. Prime Minister announced Coalition for Disaster Resilient Infrastructure

Prime Minister of India, Shri Narendra Modi, announced a global Coalition for Disaster Resilient Infrastructure (CDRI), at the UN Climate Action Summit 2019 held in New York City, USA.

Developed through consultations with more than 35 countries, CDRI envisions enabling measurable reduction in infrastructure losses from disasters, including extreme climate events. CDRI will provide member countries technical support and capacity development, research and knowledge management, and advocacy and partnerships to facilitate and encourage investment in disaster resilient infrastructure systems.

53. 'Gully Boy' selected as India's official entry to Oscars 2020

The Film Federation of India (FFI) has chosen 'Gully Boy' as India's official entry to the Oscars. The film was directed by Zoya Akhtar and the lead cast featured Ranveer Singh and Alia Bhatt.

Celebrated actor-filmmaker Aparna Sen was the head of the jury for this year's selection committee. The last Indian film that made it to the final five in the Best Foreign Film category list was Ashutosh Gowariker's "Lagaan" in 2001. No Indian film has ever won an Oscar.

54. 64th Commonwealth Parliamentary Conference held in Uganda

The 64th Commonwealth Parliamentary Conference 2019 was held at Kampala, Uganda and was hosted by the Parliament of Uganda. The Commonwealth Parliamentary Conference is one of the largest gatherings of Commonwealth parliamentarians and is a unique and valuable opportunity to network with legislators for shared-learning and to build diplomatic relations.

The theme of this year's conference was: "Adaption, engagement and evolution of parliaments in a rapidly changing Commonwealth".

The advocates and litigants will also be able to view the display board of the High Court and the Supreme Court using the app.

51. Assam government notified setting up of 200 additional Foreigners Tribunals

The Assam government has notified setting up of 200 additional appellate Foreigners Tribunals for hearing of appeals of those persons who have been excluded from the final NRC. They will be set up in the districts of the state which already have 100 Foreigners Tribunals.

19 lakh people were excluded from the final NRC in Assam published on 31st of August. The excluded people could challenge their exclusion in the Foreigners Tribunals.

52. Delhi CM Arvind Kejriwal launched 'champions campaign' against dengue

Delhi Chief Minister Arvind Kejriwal launched "champions campaign" in the fight against dengue and urged people to call 10 of their friends and encourage them too to inspect their homes and be a Champion in the fight against Dengue.

The campaign is an anti-dengue drive. It is a community-driven campaign and will ensure the citizens are encouraged to take initiative and responsibility for their fellow citizens. Dengue fever is a mosquito-borne tropical disease caused by the dengue virus.

Reports

1. Mumbai ranked 45th, Delhi 52nd on world's safe cities list

According to a report by Economist Intelligence Unit, Mumbai has been ranked as the 45th safest city on the Safe Cities Index (SCI). Delhi was ranked 52nd in the list. Tokyo, Singapore and Osaka were placed in the top-three position.

The Safe Cities Index (SCI) 2019 ranks 60 countries worldwide across five continents and measures the multi-faceted nature of urban safety, with indicators categorised as digital, infrastructure, health and personal security.

Tokyo safest city, Delhi at 52nd:

Tokyo is the safest city on the planet for the third year in a row, and six of the world's top 10 safest cities in the world are located in the Asia-Pacific, according to the Economist Intelligence Unit's Safe Cities Index released on Thursday. Mumbai and Delhi rank low in the Index even as the study points out that India and China will see the fastest rise in population—of 1.4%—over the next decade. The index ranks 60 countries across five continents and measures on urban safety. Indicators such as digital, infrastructure, health and personal security.

OVERALL SCORE

RANK	1	2	45	52	59	60
City	Tokyo	Singapore	Mumbai	New Delhi	Caracas	Lagos

2. India ranked 9th on Happiness among 28 global markets

According to the Global Happiness Survey by IPSOS, India at 77% has ranked 9th in the list on Happiness, among 28 nations. Australia and Canada tied at the top spot (at 86%) have emerged as the happiest nations of the world, followed by China (83%), Great Britain (82%), France (80%), US (79%), Saudi Arabia (78%) and Germany (78%).

Global Happiness Survey 2019

Argentina (34%), Spain (46%) and Russia (47%) were ranked at the bottom of the list. These are the findings of a 28-country Ipsos survey conducted via Ipsos's Global Advisor online survey platform.

3. Sex ratio improved from 918 to 931 in five years

Union Minister for Women and Child Development, Smriti Irani said that Sex Ratio at Birth (SRB) has improved by 13 points from 918 to 931 at the national level in last five years since the launch of Beti Bachao, Beti Padhao campaign.

Haryana, Uttarakhand, Delhi, Rajasthan and Uttar Pradesh received honours for improving sex ratio at birth. Nine districts which included East Kameng of Arunachal Pradesh, Mahendragarh and Bhiwani in Haryana, Udhampur Nagar of Uttrakhand, Tamil Nadu's Namakkal, and Jalgaon district of Maharashtra, were also awarded for better sex ratio at birth.

The International Migrant Stock 2019, a dataset released by the Population Division of the UN Department of Economic and Social Affairs, provides the latest estimates of the number of international migrants by age, sex and origin for all countries and areas of the world.

As per the report, migrants from Mexico constituted the second largest diaspora with 11.8 million people followed by China with 10.7 million people and Russia with 10.5 million people.

Resignations & Retirements

1. Dinesh Mongia announced retirement from all forms of cricket

Former India all-rounder Dinesh Mongia announced his retirement from all forms of cricket. He last played for India in an ODI against Bangladesh. He made his ODI debut against Australia in March 2001.

Mongia represented India in 57 ODIs, scoring 1230 runs at an average of 27.95. He played only one T20I. Dinesh Mongia was suspended by the Board of Control for Cricket in India (BCCI) for joining the Indian Cricket League (ICL). He enjoyed a prolific first-class career, amassing 8,028 runs at an average of 48.95 from 121 matches, in which he scored 21 centuries.

2. ADB president Takehiko Nakao resigned

Takehiko Nakao announced his resignation as the President of Asian Development Bank, effective 16 January 2020. He assumed office as President on 28 April 2013. As President, he expanded ADB's operations (increase in new lending and grant from \$14 billion in 2013 to \$22 billion in 2018 and led the merger of Ordinary Capital Resources and concessional lending operation of the Asian Development Fund.

Nakao launched Strategy 2030 and improved financial sustainability of the staff pension system by introducing defined contribution plan for new hires.

Science & Technology

1. ISRO sets up Space Situational Awareness Control Centre in Bengaluru

Indian Space Research Organisation (ISRO) has set up a Directorate of Space Situational Awareness and Management aiming at protecting high valued space assets from space debris close approaches and collisions. A control centre is being established at Bengaluru. The Control Centre would facilitate the intensified activities foreseen for SSAM.

ISRO is currently dependent on North America Aerospace Defense Command (NORAD) data for keeping track of space debris and monitoring our active and passive (dead) satellites.

2. ISRO lost contact with Moon lander "Vikram"

Indian Space Research Organisation has announced that it lost contact with the Moon lander "Vikram". Chandrayaan-2 consisted of three components — an orbiter, a lander named Vikram and a rover named Pragyan.

The three components were together launched to the moon on July 22 atop a Geosynchronous Satellite Launch Vehicle Mark III (GSLV Mk III) rocket. The lander separated from the orbiter on September 2 to begin its descent to the lunar surface.

3. "Oscar Of Science" Award for team behind world's first Black Hole image

A team of 347 scientists from the Event Horizon Telescope Collaboration project won the 'Breakthrough Prize in Fundamental Physics' for having produced the world's first image of a black hole. The award carries prize money of \$3 million dollars and is considered to be the "Oscars of science."

The winners in other categories:

- 2020 Breakthrough Prize in Life Sciences Awarded to Jeffrey M. Friedman, F. Ulrich Hartl and Arthur L. Horwich, David Julius, and Virginia Man-Yee Lee.
- 2020 Breakthrough Prize in Mathematics Awarded to Alex Eskin.
- Six New Horizons Prizes Worth \$100,000 Each Awarded for Early-Career Achievements in Physics and Math.

4. DRDO successfully flight-tests indigenously developed Antitank Guided Missile

Defence Research and Development Organisation successfully flight tested indigenously developed low weight, fire and forget Man Portable Antitank Guided Missile (MPATGM) in the ranges of Kurnool, Andhra Pradesh. The missile was launched from a man portable Tripod launcher and the target was mimicking a functional tank. The missile hit the target in top attack mode and destroyed it with precision. All the mission objectives were met.

This is the third series of successful testing of MPATGM. The missile is incorporated with state-of-the-art Infrared Imaging Seeker along with advanced avionics.

5. Water discovered on habitable ‘super-Earth’ K2-18b

Researchers from University College London have discovered water vapour on a potentially habitable super-Earth called K2-18b. The scientists analysed data from the Hubble Space Telescope. The discovery has been published in Nature Astronomy. This is the first successful atmospheric detection of water on an exoplanet.

K2-18b orbits a cool dwarf star and is about 110 light years away from Earth in the Leo constellation. The super-Earth is eight times the mass of Earth and was located in 2015.

6. First Indigenous Fuel Cell System launched on CSIR Foundation Day

The President of India, Shri Ram Nath Kovind, unveiled the first Indigenous High Temperature Fuel Cell System developed by Council of Scientific and Industrial Research (CSIR) in partnership with Indian industries under India's flagship program named "New Millennium Indian Technology Leadership Initiative (NMITLI)".

The Fuel Cells developed are based on High Temperature Proton Exchange Membrane (HTPEM) Technology. This system will also meet the requirement of efficient, clean and reliable backup power generator for telecom towers. The Fuel Cells fit well in India's mission of replacing diesel with green and alternate fuels.

7. 5th India International Science Festival to be held in Kolkata

The 5th edition of India International Science Festival (IISF) 2019 will be held at Kolkata from 5th to 8th November, 2019. The theme for this year's festival is RISEN India – Research, Innovation, and Science Empowering the Nation.

The IISF 2019 is the fifth edition since its inception in 2015 and expects to host a gathering of approximately 12,000 participants from India and abroad. It is organised jointly by science & technology-related Ministries and Departments of the Government of India and Vijnana Bharati (Vibha), 2019.

8. Japan launched "World's Biggest Transport Space Ship" for Space Station

Japan's space agency JAXA has launched 'the world's biggest transport space ship' called Kounotori8. It will help replenish essential supplies at the International Space station (ISS) and was launched by Japan's Mitsubishi Heavy Industries (MHI).

The unpiloted cargo ship carried more than 4 tons of supplies, batteries, and a prototype laser-communications system. The launch took place from the Japan Aerospace Exploration Agency's Tanegashima Space Centre in southwestern Japan.

Sports

1. Shot putter Tejinderpal Singh Toor clinched silver in Czech Republic

Asian Games gold medallist shot putter Tejinderpal Singh Toor won a silver medal at an athletic meet at Decin, Czech Republic. Tejinder came up with the best throw of 20.09m in his last attempt at the event. He has been awarded the Arjuna Award this year.

The 24-year-old Indian, who has a personal best of 20.75m, has already qualified for World championship being the Area champion following his gold-winning feat at Asian Athletics Championships in April this year.

2. India defeat Nepal to win SAFF U-15 2019 Championship

India defeated Nepal 7-0 to win the SAFF U-15 2019 Championships held at the Kalyani Stadium in West Bengal. Striker Sridarth Nongmeikapam scored a hat-trick for the side while Maheson Singh, Amandeep, Sibajit Singh and Himanshu Jangra scored one goal each.

With this win, India are now the most successful team in the tournament's history. They won the title for a record third time after previous wins in 2013 and 2017.

3. Jasprit Bumrah becomes 3rd Indian to register a hat trick in Test cricket

Jasprit Bumrah became the third Indian to register a hat-trick in Test cricket, following Harbhajan Singh against Australia in Calcutta in 2001, and Irfan Pathan against Pakistan in Karachi in 2006. Bumrah took three wickets in successive balls against West Indies in the second Test at Kingston, Jamaica.

Bumrah claimed the wickets of Darren Dravo, Shamarh Brooks and Roston Chase in the 9th over of the Windies innings to achieve the milestone. Bumrah was also only the third bowler to take a hat-trick in West Indies, after Jermaine Lawson and Matthew Hoggard. His hat-trick was the 44th in Test history.

4. Ferrari's Charles Leclerc won Belgian Grand Prix

Charles Leclerc of Ferrari won the Belgian Grand Prix from pole position. It was the first victory of his Formula One career. Lewis Hamilton of Mercedes was second followed by his teammate Valtteri Bottas at third and Ferrari's Sebastian Vettel at 4th position.

This was the first win for Ferrari after former driver Kimi Raikkonen's victory at the U.S. GP in October 2018. Lewis Hamilton extended his lead at the top with 268 points followed by Valtteri Bottas at 203 points in the driver's ranking for 2019.

5. Lewis Hamilton won Hungarian Grand Prix

Mercedes driver Lewis Hamilton won the Hungarian Grand Prix to earn his 81st Formula One race victory. He is now only 10 wins behind seven-time F1 champion Michael Schumacher. Red Bull's Max Verstappen was second in the race followed by Sebastian Vettel.

Hamilton leads the driver's table this season with 8 wins and 250 points way ahead of Valtteri Bottas with 2 wins and 188 points. Mercedes leads the Constructor's ranking 2019 with 10 wins and 438 points in total followed by Ferrari with 288 points and Red Bull at 244.

6. Satwiksairaj, Chirag 1st Indian doubles pair to win Super 500 title

Satwiksairaj Rankireddy and Chirag Shetty became the first Indian pair to win a BWF Super 500 badminton tournament. The duo beat World champions Li Jun Hui and Liu Yu Chen of China in the summit clash of Thailand Open 21-19, 18-21, 21-18 in Bangkok to win the men's doubles category.

With this win, the Indian pair broke into the top ten of the world ranking for the first time, making it the first-ever Indian men's doubles duo to enter the elite bracket. The win was also the most prestigious doubles title for India since the inception of the ranking system.

7. FIFA World Cup Qatar 2022 Official Emblem revealed

The Official Emblem of the 22nd edition of the FIFA World Cup was unveiled in Doha. The design is a stylised Arabic white unisex shawl with maroon patterning, which is displayed in a figure-of-eight symbolising infinity while creating a heart shape above the words "FIFA WORLD CUP Qatar 2022".

According to tournament organisers, the swooping curves of the emblem represent the undulations of desert dunes and the unbroken loop depicts both the number eight - highlighting the eight stadiums that will host the World Cup matches - and the infinity symbol, which reflects the interconnected nature of the event.

8. Misbah-ul-Haq appointed Pakistan coach and chief selector

Former Pakistan captain Misbah-ul-Haq has been appointed as the head coach and chief selector of Pakistan for three-year contract. Former fast bowler Waqar Younis has been appointed as the bowling coach for a three-year stint.

Misbah has featured in 75 Tests and 162 one-day internationals, scoring over 10,300 international runs. He has captained Pakistan in 56 Tests. Waqar was the Pakistan head coach twice before: between 2010 and 2011, and 2014 and 2016.

9. India Red beat India Green to clinch Duleep Trophy title

India Red beat India Green by an innings and 38 runs to clinch the Duleep Trophy title at Bengaluru. India Red had scored 388 in their first innings while India Green compiled 231 runs in their first innings and 119 in their second innings.

Vidarbha off-spinner Akshay Wakhare returned with a five-wicket haul in the second innings of India Green. Abhimanyu Easwaran, who made a brilliant 153 for India Red, was named player of the match.

10. Payas Jain won Silver medal in the 25th Asian Junior and Cadet Table Tennis Championships

India's Payas Jain won silver medal in the 25th Asian Junior and Cadet Table Tennis Championships in Ulaanbaatar, Mongolia. He lost to top-seed and world number 1 Yuanyu Chen of China 0-4 in the final.

Jain's silver medal earned him a berth in the Asian squad which will participate in the World

Cadet Challenge at Wladyslawowo (Poland) in October. India's campaign at the championships ended with two silver medals - one by the junior boys' team and another by Jain.

11. Wrestler Deepak Punia named world No.1 in 86 kg category

In the latest rankings issued by the International Wrestling Federation, World Championship silver medalist Deepak Punia has jumped to world number one position in 86 kilogram category but Bajrang Punia lost the top rank in the 65-kilogram category.

The 20-year-old, Punia, now has 82 points, four more than World Champion Yazdani. Russia's Gadzhimurad Rashidov, who won gold in Nur Sultan, is the new world number one in 65 kilogram. Vinesh Phogat has jumped to number two in 53-kilogram category, gaining four places.

12. Rashid Khan becomes youngest ever Test captain

Ace leg-spinner Rashid Khan of Afghanistan became the youngest player ever to lead a Test side. Khan, at the age of 20 years and 350 days, was captaining the national team in the one-off Test against Bangladesh.

Rashid surpassed the record of Tatenda Taibu who led Zimbabwe against Sri Lanka at Harare in 2004 at the age of 20 years and 358 days. Mansoor Ali Khan Pataudi is third in the list who captained India at the age of 21 years and 77 days against West Indies in Bridgetown in 1962.

13. Kraigg Brathwaite reported for suspected illegal bowling action

West Indies Cricketer Kraigg Brathwaite was reported for a suspected illegal bowling action during the second Test against India. Brathwaite, bowls part-time off-spin and had earlier been reported for a suspect bowling action in August 2017 against England in Birmingham but was cleared following an independent assessment.

With Brathwaite being reported again, he will be required to submit to further testing by September 14 and has been allowed to continue bowling in international cricket until the results of the testing are known.

14. Eighth edition of Ladakh Marathon held in LehEWS

The eighth edition of Ladakh Marathon with more than 6000 runners from 25 countries was organized in Leh. It is the highest marathon in the world as it is held at over 11, 000 feet above the mean sea level. The Marathon was held in the categories of 42KM Full Marathon, 21KM half marathon and 7 km long Run for Fun.

The 9th Edition to be held in 2020 will be a qualifying race for the Abbot World Marathon Majors. Ladakh Marathon became a full member of Association of International Marathons and Distance Races in 2015.

15. Indian men's hockey team at 5th spot in FIH rankings

The Indian men's hockey team retained its 5th place while the women's team climbed to 9th place in the FIH rankings, released following the conclusion of the Oceania Cup.

Australia's Oceania Cup triumph topped the rankings followed by Belgium at 2nd place. European bronze medallists the Netherlands remain third in the rankings, followed by the Pan American Games gold medallists Argentina at 4th place. Germany climbed one place to take 6th position from England, who are now at 7th place.

16. India topped the medals tally in Track Asia Cup cycling

In Cycling, India's Ronaldo Laitonjam created an Asian record in men's junior 200m time trial event and won a gold medal in the junior men's sprint event of Track Asia Cup competition in New Delhi.

India emerged overall champions as its players picked up three medals (two gold and one bronze) in the concluding day. Overall, India topped the medals tally with 10 gold, 8 silver and 7 bronze medals. Uzbekistan finished second, with 4 gold and 3 silver. Malaysia secured third place, with 4 gold and 1 silver medal.

17. Sports Ministry derecognised Paralympic Committee of India

The Sports Ministry has de-recognised the Paralympic Committee of India (PCI), citing a violation of the National Sports Code in the body's decision to sack President Rao Inderjit Singh. PCI has been penalised for misgovernance.

The Ministry had received a complaint from Mr. Singh, who was removed by a majority vote, and it found the federation's response to it unsatisfactory. The PCI had changed its byelaws to bar public servants from it during a May 4 Annual General Meeting. Singh is Minister of State (Planning) in the Union Government.

18. Rafael Nadal won the men's final of US Open 2019

Rafael Nadal won his 19th Grand Slam title after defeating Russia's Daniil Medvedev in a five-setter final. It was the 19th Grand Slam trophy and fourth US Open crown for Nadal. He is now just one major away from Roger Federer's record mark of 20.

The other winners:

- Men's doubles final: Juan Sebastián Cabal and Colombia Robert Farah
- Women's doubles final: Elise Mertens and Belarus Aryna Sabalenka
- Mixed doubles final: Bethanie Mattek-Sands and Jamie Murray

19. Kenya's Brigid Kosgei runs fastest-ever women's half-marathon

Kenya's Brigid Kosgei ran the fastest half-marathon ever by a woman winning the Great North Run in a time of 1 hour, 4 minutes and 28 seconds. Magdalene Masai and Linet Masai of Kenya stood second and third in the race.

Mo Farah won the men's elite race for a record sixth successive year finishing the 13.1-mile course in 59min 7sec. Tamirat Tola of Ethiopia was second while Abdi Nageeye of the Netherlands was third.

20. Malinga became first bowler to take 100 T20I wickets

Sri Lanka's Lasith Malinga became the first bowler in Twenty20 internationals to claim 100 wickets as he took four wickets in four balls in the third match against New Zealand.

Malinga surpassed Pakistan spinner Shahid Afridi's tally of 97 scalps to become the leading T20 wicket-taker. He bowled Colin Munro for 12 to claim a century of wickets in his 76th match.

He took the wickets of Hamish Rutherford, Colin de Grandhomme and Ross Taylor in the remaining three successive balls.

21. IOC emerge as champions of Murugappa Gold Cup Hockey 2019

Indian Oil Corporation (IOC) successfully defended the title after it defeated Punjab National Bank (PNB) 3-1 in the final to win the 93rd All-India MCC-Murugappa Gold Cup hockey tournament at the Mayor Radhakrishnan Stadium, Chennai.

MCC-Murugappa Gold Cup hockey is the 2nd oldest hockey tournament in country after Beighton Cup in Kolkata. Ten teams participated in the tournament this year. While the winners receive cash prize of Rs 6 lakhs, the runner ups get Rs 3.5 lakhs as prize money.

22. Megan Schutt became the first woman to claim two hat-trick in white-ball cricket

Australia fast bowler Megan Schutt scripted history by becoming the first Australian women to claim two hat-tricks in white ball cricket after she cleaned up the West Indies tail in the third ODI. Schutt had claimed her first hat-trick in a Twenty20 game against India in March 2018.

It's the 11th hat-trick taken in women's ODIs, while Schutt is the seventh Australian, male or female, to achieve the feat in one-dayers. Only three Australian women have claimed international hat-tricks, with Betty Wilson and Rene Farrell – who both took Test hat-tricks – joining Schutt.

23. Indian shuttler Lakshya Sen clinched Belgian International Challenge

In Badminton, rising Indian shuttler Lakshya Sen stunned second seed Victor Svendsen of Denmark in straight games to clinch men's singles title at the Belgian International Challenge. Lakshya was at his best as he notched up a comfortable 21-14, 21-15 win over Svendsen in the title clash.

The 18-year-old Lakshya had earlier beaten Denmark's Kim Bruun 21-18, 21-11 to win in a 48-minute semifinal clash. The *Belgian* International is an international badminton open tournament, held since 1958. It became an International Challenge tournament within the Badminton Europe tournament circuit.

24. Pankaj Advani clinched IBSF Billiards Championship

Pankaj Advani clinched a record 22nd world titles by winning a fourth straight final in the 150-up format at the IBSF World Billiards Championship in Myanmar. Advani defeated Nay Thway of Myanmar.

In semifinal against Russell, Advani scored three back-to-back centuries but managed to convert only two of those frames as the Briton took advantage of Advani's error on 142 and made a 150. In the short format of billiards, this is Advani's fifth title in the last six years.

25. Sourabh Verma clinched Vietnam Open Men's Singles title

In Badminton, Sourabh Verma clinched the USD 75,000 Vietnam Open Super 100 Men's single title, defeating China's Sun Fei Xiang in a thrilling Men's Singles summit clash at the Ho Chi Minh City. Second seed Verma recovered from a mid-game slump to beat Sun 21-12, 17-2, 21-14.

This victory marks Verma's second Super 100 win in the 2019 and 3rd title of the year 2019 after the Hyderabad Open and Slovenian International. World no. 38 Sourabh will now play the USD 400,000 Korea Open World Tour Super 500 event to be held from September 24 to 29.

26. Kaushal Dharmamer clinched Myanmar International Series

Indian shuttler Kaushal Dharmamer clinched the Myanmar International Series with a come-from-behind win over Indonesia's Karono Karono in a thrilling men's singles final in Yangon.

World no. 187th Kaushal who had won the Hatzor International in October 2018 recovered after dropping the opening game to outwit Karono 18-21, 21-14, 21-11 in a match that lasted an hour. Myanmar International Series 2019 is a part of 2019 BWF International Series.

27. India clinched U-19 Asia Cup title

India clinched the Under-19 Asia Cup title, with a thrilling five-run win over Bangladesh in a low-scoring final at Colombo. Defending a paltry total of 106, India dismissed Bangladesh for 101 in 33 overs.

Left-arm spinner 18-year-old Atharva Ankolekar, emerged as the star of the Indian

team, with figures of 5 for 28 from 8 overs. Other players such as skipper Dhruv Jurel (33) and lower-order batsman Karan Lal came up with useful contributions to help India cross the 100 mark.

28. Ronaldo Laitonjam won fourth gold in Track Asia Cup cycling

India's Ronaldo Laitonjam won his fourth gold medal on the concluding day of Track Asia Cup competition in New Delhi. India emerged overall champions as its players picked up three medals in the day, two gold and one bronze.

Overall, India topped the medals tally, with 10 gold, 8 silver and 7 bronze as the tournament came to an end at the IGI Sports Complex. Uzbekistan finished second, with 4 gold and 3 silver. Malaysia secured third place, with 4 gold and 1 silver.

29. Feroz Shah Kotla stadium renamed after Arun Jaitley

DDCA President Rajat Sharma announced to rename Feroz Shah Kotla Stadium in Delhi as Arun Jaitley Stadium in memory of its former president Arun Jaitley who passed away recently. The Stadium will be named Arun Jaitley Stadium but the name of the ground will remain as Ferozeshah Kotla Ground.

During Arun Jaitley's tenure at DDCA, he is credited with renovating Feroz Shah Kotla Stadium into a modern facility, increasing its capacity to accommodate more fans besides constructing world-class dressing rooms.

30. Andrew Strauss became chairman of ECB's cricket committee

England cricket legend has been appointed Chairman of the England and Wales Cricket Board's cricket committee, a position that will require him to monitor the sport's progress at every level in the country. He will drive the development of the game at all levels as part of his new role.

Strauss is known for playing 100 Tests for England, scoring 7,037 runs at an average of 40.91. Under his leadership, England won two Ashes series and also attained the number one Test ranking.

31. Spain beats Argentina to win Basketball World Cup

Spain beat Argentina for the first time since 2006 to win FIBA World Cup held in Beijing, China. This was its second title win after 13 years. Three-time All-Star Marc Gasol became only the second man to win an NBA crown and the World Cup in the same year. Spain marked victory of 95-75.

Point guard Ricky Rubio racked up 20 points.

Marc Gasol and Willy Hernangomez swatted three shots each as Spain pulled down 47 rebounds, 20 more than Argentina.

32. Vinesh Phogat becomes first Indian wrestler to qualify for 2020 Tokyo Olympics

India's star wrestler Vinesh Phogat became the first Indian wrestler to qualify for the 2020 Olympics after beating Sarah Hildebrandt of the USA in the World Championships in Nur Sultan, Kazakhstan. She scored an impressive 8-2 win over the world championship silver medalist.

Earlier, she had stormed to a 5-0 win over Ukraine's Yuliya Khalvadzhy in the first round of the 53kg category to remain in contention for an Olympic quota and a bronze medal.

33. Amit Panghal became first Indian to enter World Men's Championships finals

In Boxing, Asian Champion Amit Panghal became the first Indian to make the finals of the World Men's Championship while Manish Kaushik signed off with a bronze medal after going down in the semifinals in Ekaterinburg, Russia.

India had never won more than one bronze medal in a single edition of the world championships but Panghal and Manish Kaushik changed that by making the semifinals. The past Indian medal-winners at the world meet are Vijender Singh (2009), Vikas Krishan (2011), Shiva Thapa (2015) and Gaurav Bidhuri (2017).

34. Bajrang Punia won bronze medal at the World Championships

In Wrestling, Bajrang Punia and Ravi Dahiya won bronze at the World Championships in Nur-Sultan, Kazakhstan. This is Bajrang's second consecutive medal at the Worlds and third overall while Dahiya has managed to win bronze in his very first appearance at the senior championships, beating Iran's reigning Asian champion Reza Atri 6-3 to win his maiden Worlds medal.

Both Bajrang and Dahiya had sealed a spot at the 2020 Tokyo Olympics by qualifying for the bronze medal round. This took India's haul to three medals with Vinesh Phogat winning bronze in the women's 53kg.

35. Beijing 2022 Paralympic and Olympic mascots unveiled

Beijing released its mascot for the 2022 Olympic Winter Games. Chinese lantern Shuey Rhon Rhon was declared as the official mascot for Winter Paralympics 2022 and giant panda Bing Dwen Dwen was revealed as the official mascot for Beijing Winter Olympics 2022.

Shuey Rhon Rhon is a Chinese lantern child who is looking forward to welcome friends from around the globe for the mega event. Bing Dwen Dwen, is a chubby giant panda wearing a suit of ice, encased in a stylized sports helmet meant to "make the animal appear more athletic.

36. India slipped to 104th spot in Latest FIFA ranking

FIFA rankings released recently place India at 104th position, playing under the leadership of new coach Igor Stimac whereas Qatar held on to its ranking 62nd and Oman was placed at 84th spot.

Belgium retained its top position, while France has surpassed Brazil to reach the second spot.
